Ninth Grade Reading Comprehension 4: Shadow in the Woods

In the quiet town of Millfield, nestled deep in the woods, there was a small cabin where a family of four had recently moved in. They were thrilled to have escaped the hustle and bustle of the city and start a new life in the peaceful surroundings of the forest. But as the days passed, strange things began to happen.

One night, as the family was sitting down for dinner, they heard a strange noise coming from outside. It was a rustling sound, like someone or something was moving around in the bushes. The father got up and went to investigate, but when he opened the door, there was nothing there.

The family tried to shrug it off, but the next night the noise returned. This time it was louder, and the rustling seemed to be coming closer. They could see shadows moving just beyond the cabin's porch. The father grabbed a flashlight and went outside again, but still found nothing.

The family began to feel uneasy, and the children were too scared to sleep. They told their parents that they could see a shadow moving around their room at night. The parents tried to reassure them, but deep down, they knew something was wrong.

One night, the father decided to stay up and keep watch. As the night wore on, he saw a shadow moving across the floor. It was a human-like shape, but with long, spindly arms and legs. The father's heart raced as he tried to make sense of what he was seeing. He watched in horror as the shadow moved closer and closer to his children's bed.

He ran to wake his wife, but when they returned to their children's room, the shadow was gone. They searched the entire cabin, but found no sign of it. From that night on, the family never slept soundly again. They could always feel the shadow lurking just beyond the cabin's walls.

Questions:

1. Where is the story set?
2. Who moves into the cabin?
3. What strange noise did the family hear?
4. What did the father see one night when he stayed up to keep watch?
5. What happened to the shadow in the end?

Summary question: What is the story about?
