*The Policing Machine* Tony Cheng, 2023-12-13 A revelatory look at how the NYPD has resisted change through strategic and selective community engagement The past few years have seen Americans express passionate demands for police transformation But even as discussion of no knock warrants chokeholds and body cameras has exploded any changes to police procedures have only led to the same outcomes Despite calls for increased accountability police departments have successfully stonewalled change In *The Policing Machine* Tony Cheng reveals the stages of that resistance offering a close look at the deep engagement strategies that NYPD precincts have developed with only subsets of the community in order to counter any truly meaningful democratic oversight Cheng spent nearly two years in an unprecedented effort to understand the who and how of police community relationship building

in New York City documenting the many ways the police strategically distributed power and privilege within the community to increase their own public legitimacy without sacrificing their organizational independence By setting up community councils that are conveniently run by police allies handing out favors to local churches that will promote the police to their parishioners and offering additional support to institutions friendly to the police the NYPD like police departments all over the country cultivates political capital through a strategic politics that involves distributing public resources offering regulatory leniency and deploying coercive force The fundamental challenge with police community relationships Cheng shows is not to build them It is that they already exist and are motivated by a machinery designed to stymie reform Raw Deal Gil Valle, Brian Whitney, 2017-02-28 One of the most twisted tales you will ever read a story of cannibal fetishes a terrified wife lying FBI agents a false conviction Patrick Quinlan Los Angeles Times bestselling author Optioned in February 2019 for a motion picture Raw Deal is the untold story of former New York City police officer Gil Valle who in 2012 became known throughout the world as The Cannibal Cop It is part the controversial saga of a man who was imprisoned for thought crimes and a look into a world of dark sexuality and violence that most readers don't know exists except maybe in their nightmares After Valle's arrest media coverage exploded in a frenzy of lurid tabloid headlines and stories about the cop charged with planning to kidnap torture rape and eat women including his own wife But here's the fascinating part there was no such plan in reality Valle faced life in prison for his charges and served 21 months for nothing more than having online chats about his fantasies He was finally exonerated of all charges Raw Deal raises the question of when does thought become a crime A question that goes beyond his perverse sexuality to answers society must deal with in order to meet the challenge of terrorism It will challenge the reader's beliefs about free speech the right to privacy and government's role in watching over us WARNING This book contains graphic fantasy material of a sexual and violent nature It is intended for Mature Audiences A big part of what makes this book fascinating is seeing the contrast between Valle's extreme interests and his normal life Cultured Vultures

**The 9/11 Commission Report: Final Report of the National Commission on Terrorist Attacks Upon the United States (Authorized Edition)** National Commission on Terrorist Attacks, 2011-05-16 Nearly three thousand people died in the terrorist attacks of September 11 2001 In Lower Manhattan on a field in Pennsylvania and along the banks of the Potomac the United States suffered the single largest loss of life from an enemy attack on its soil In November 2002 the United States Congress and President George W Bush established by law the National Commission on Terrorist Attacks Upon the United States also known as the 9 11 Commission This independent bipartisan panel was directed to examine the facts and circumstances surrounding the September 11 attacks identify lessons learned and provide recommendations to safeguard against future acts of terrorism This volume is the authorized edition of the Commission's final report **Death Work** Vincent E. Henry, 2004-04-01 In this fascinating new book Vincent Henry a 21 year veteran of the NYPD who recently retired to become a university professor explores the psychological transformations

and adaptations that result from police officers encounters with death Police can encounter death frequently in the course of their duties and these encounters may range from casual contacts with the deaths of others to the most profound and personally consequential confrontations with their own mortality Using the survivor psychology model as its theoretical base this insightful and provocative research ventures into a previously unexplored area of police psychology to illuminate and explore the new modes of adaptation thought and feeling that result from various types of death encounters in police work The psychology of survival asserts that the psychological world of the survivor one who has come in close physical or psychic contact with death but nevertheless managed to live is characterized by five themes psychic numbing death guilt the death imprint suspicion of counterfeit nurturance and the struggle to make meaning These themes become manifest in the survivor s behavior permeating his or her lifestyle and worldview Drawing on extensive interviews with police officers in five nominal categories rookie officers patrol sergeants crime scene technicians homicide detectives and officers who survived a mortal combat situation in which an assailant or another officer died Henry identifies the impact such death encounters have upon the individual the police organization and the occupational culture of policing He has produced a comprehensive and highly textured interpretation of police psychology and police behavior bolstered by the unique insights that come from his personal experience as an officer his intimate familiarity with the subtleties and nuances of the police culture s value and belief systems and his meticulous research and rigorous method Death Work provides a unique prism through which to view the individual organizational and social dynamics of contemporary urban policing With a foreword by Robert Jay Lifton and a chapter devoted to the local police response to the World Trade Center attacks Death Work will be of interest to psychologists and criminal justice experts as well as police officers eager to gain insight into their unique relationship to death
