**FCC Record** United States. Federal Communications Commission, 2012      **Choice and Preference in Media Use**  
Silvia Knobloch-Westerwick, 2014-07-25 Mediated messages flood our daily lives through virtually endless choices of media channels genres and content However selectivity determines what media messages we attend to and focus on The present book examines the factors that influence this selectivity Seminal books on selective media exposure were published in 1960 by Klapper and in 1985 by Zillmann and Bryant But an integrated update on this research field is much needed as rigorous selective exposure research has flourished in the new millennium In the contexts of political communication health communication Internet use entertainment consumption and electronic games the crucial question of how individuals choose what content they consume has garnered much attention The present book integrates theories and empirical evidence from these domains and discusses the related research methodologies In light of the ever increasing abundance of media channels and messages selective exposure has become more important than ever for media impacts This monograph provides a comprehensive review of the research on selective exposure to media messages which is at the heart of communication science and media effects It is required reading for media scholars and researchers and promises to influence and inspire future research      *Insiders' Guide North Carolina's Southern Coast and Wilmington* Zach Hanner, Pamela Watson, Rebecca Pierre, Kate Walsh, 2006-06-15 The annually updated Insiders Guide to North Carolinas Southern Coast and Wilmington is this areas most complete source of travel and newcomer information      *Lloyd's Register OneOcean's Guide to Port Entry 1979 - 1980 Port Information* Lloyd's Register Foundation, 1979-01-01 First published in 1971 these Guides provide invaluable information on thousands of commercial ports and terminals across the globe They are compiled and published annually by LR OneOcean whose years of global maritime experience allows them to provide expert and innovative solutions that enhance efficiency sustainability and overall industry success The Guides cover a significant geographical breadth and the most recent volume includes information on over 12 500 ports harbours and terminals worldwide These are fully indexed and contain detailed port plans and mooring diagrams      *Lloyd's Register OneOcean's Guide to Port Entry 1981-1982 Port Information* Lloyd's Register Foundation, 1981-01-01 First published in 1971 these Guides provide invaluable information on thousands of commercial ports and terminals across the globe They are compiled and published annually by LR OneOcean whose years of global maritime experience allows them to provide expert and innovative solutions that enhance efficiency sustainability and overall industry success The Guides cover a significant geographical breadth and the most recent volume includes information on over 12 500 ports harbours and terminals worldwide These are fully indexed and contain detailed port plans and mooring diagrams      *Broadcasting & Cable* , 2005      **Library of the World's Best Literature: Guide to systematic reading** Charles Dudley Warner, 1902      **Country Guide and Nor'west Farmer** , 1927      *Tracking the Audience* Karen Buzzard, 2012 In *Tracking the Audience* The Ratings Industry From Analog to Digital author Karen Buzzard

examines the key economic political and competitive factors that have influenced ratings methods dominant in each of the markets for radio TV and the Internet tracing the practice's history from its early beginnings up to its most recent advances Beginning with the birth of the industry in 1929 Tracking the Audience traces the establishment of a standardized ratings currency as it evolved to meet the needs of the analog broadcast system and explores the search for new gold standards necessitated by the devastating effects of the digital revolution Buzzard examines key challenges to the established system by discussing the movement from traditional sampling methods to new more transparent measurements More than a history of the ratings industry itself it also tracks the evolving business model for the broadcast industry Tracking the Audience The Ratings Industry From Analog to Digital shows how the development of conceptual tools designed to measure and package radio TV and Internet audiences is the result of a variety of historical factors With a detailed examination of ratings providers their methods and their attempts to adjust to meet new demands a digital age this volume explains how a standardized broadcast system of audience measurement ratings has evolved and where it is going in the future
