The Erotic True Story of The Princess and The Frog Cherie Wilde, Thorne moved toward the bed with predatory grace The candlelight played across the sculpted planes of his body casting dramatic shadows that emphasised every ridge of muscle every powerful line Lorelei's breath caught in her throat as he placed one knee on the silk sheets then the other the mattress dipping beneath his substantial weight His emerald eyes glowing with ancient hunger devoured the sight of her spread before him a royal feast awaiting his pleasure Wider he commanded his voice a low rumble that seemed to vibrate through the very air His large hands settled on her inner thighs applying gentle but irresistible pressure Let me see what you've prepared for me Lorelei obeyed without hesitation spreading her legs until the cool night air kissed her most intimate place The Erotic True Story of The Princess and the Frog is a sizzling no holds barred retelling of the classic fairy tale rewritten for those who crave their fantasy with a whole lot more heat When the beautiful and curious Princess Lorelei slips into a secluded forest pool for a naked swim she encounters Thorne a talking frog with a dark secret and a sinfully deep voice Intrigued Lorelei brings him back to her palace where she learns the shocking truth Thorne transforms into an impossibly

handsome man each sunset And once the sun goes down Lorelei discovers just how powerful his appetites are and how eager she is to surrender to them Thorne is everything Lorelei has ever fantasised about dominant passionate and devastatingly well endowed Their forbidden trysts soon spiral into decadent nights of erotic debauchery joined by a pair of Lorelei's insatiable ladies in waiting But not all is pleasure and play Lorelei's jealous stepsister has her eye on Thorne and she's willing to do anything to steal him away This is not the bedtime story you remember The Erotic True Story of The Princess and the Frog is raw wicked and utterly unfiltered From Cherie Wilde author of The Erotic Adventures of Snow White The Erotic True Story of Beauty and the Beast and Pussy in Boots comes her most decadent fairy tale yet You'll never look at frogs or princesses the same way again

Relax, It's Just Sex Leslie Spurr Ph.D., 2017-05-18 Surveying the many forms of non possessive intimate relationships this book explains how these alternative lifestyle arrangements work psychologically and describes the benefits and risks for those involved within contemporary contexts such as swinging threesomes polyamory and recreational sex clubs The thought that one could have sex with outsiders with the consent and support of your spouse or significant other and still love and make love with your primary partner is a radical notion for most men and women And yet an increasing number of married and unmarried couples are doing just this and their relationships are flourishing as a result Relax It's Just Sex Understanding Non Possessive Intimate Relationships examines a relatively new form of intimate relationship that is increasingly popular among contemporary couples and singles The book introduces the term non possessive intimate relationships and shows from a psychological perspective how these arrangements work emotionally and cognitively for the individuals involved Licensed clinical psychologist and relationship therapist Leslie Spurr PhD explores the psychologically issues involved and then takes a close look at various examples of the non possessive intimate relationship style within several mostly covert contexts in which relationship partners agree to provide each other with the freedom to engage intimately with outsiders Written in a nontechnical accessible style Relax It's Just Sex uses humor and references to popular culture including films novels and songs to engage the reader in content that is primarily informative but also entertaining This important and eye opening book makes clear the significance and reasons for the growing popularity of the non possessive intimate relationship phenomenon and explains why and how this lovestyle may constitute a sexual revolution

The Erotic True Story of Beauty and The Beast Cherie Wilde, 2025-02-19 Elle flushed with a feverish anticipation sprawled across the oak table With a carefree giggle she arched her back and the remains of their feast clattered to the stone floor It was a symphony of chaos each porcelain shard and silver utensil heralding the carnal rapture to come The beast towered above her his chest heaving with a hungry intensity that mirrored the wild thrum of her heart Impatience clawed at

Romantic Love in Cultural Contexts Victor Karandashev, 2016-12-24 This volume presents a conceptual historical anthropological and sociological review of how culture affects our experience and expression of romantic love What is romantic love and how is it different from and similar to other kinds of love How is romantic love related to sex and marriage in human history and across contemporary cultures What cultural factors mediate attraction in love These are some of the

questions the volume explores through its interdisciplinary yet focused lens Much of the current research evidence suggests that love is a universal emotion experienced by a majority of people in various historical eras and in all the world's cultures Yet love displays in different ways because culture has an impact on people's conceptions of love and the ways they feel think and behave in romantic relationships This volume summarizes classical knowledge on love and culture while at the same time focusing sharply on recent studies and cutting edge research that has advanced the field Divided into three parts the volume begins by defining and analyzing the concept of romantic love and interdisciplinary approach to its study in cultural context Part II traces the origin and evolution of romantic love both in various places throughout the world and various time periods throughout history Part III presents the revolutionary expansion of romantic love ideas and practices in the late 20th and early 21st centuries in various parts of the world focusing particularly on the development of romantic love as a cultural ideal of the modern cultures Finally the book concludes by summarizing the major achievements in this field of study and predicts future development A timely and thoughtful addition to the literature Romantic Love in Cultural Contexts delivers thought provoking insights to researchers in relationship scholarship sociology anthropology and cultural studies and all those interested in the universal human concept of love Overall I find Dr Victor Karandashev is an excellent and fine scholar who has a firm grasp of both the fundamental principles of cross cultural research and of anthropology In our increasingly connected world Romantic Love in Cultural Contexts updates and adds to the descriptions and explanations of similarities and differences in romantic love across generations and cultures Romantic love encompasses the life span rather than being a phenomenon largely confined to youthful years The topic of this project concerns the deepest of our sentiments and pervades life from birth to death This book contributes to better knowledge of this phenomenon across generations Flix Neto Professor of Psychology Faculdade de Psicologia e de Ciências da Educação Universidade do Porto Portugal
