Church of God Evangel, 2001 *Shepherding God's People* Siang-Yang Tan, 2019-07-16 This comprehensive textbook on pastoral ministry for pastors church leaders and students articulates a biblical model for shepherding God's people Written by a leading psychologist and seminary professor who has served as a pastor for more than two decades the book covers twelve major areas of pastoral ministry highlights the essential work of the Holy Spirit and focuses on the personal and family life of the pastor It includes cross cultural perspectives of special interest in our diverse world and a

foreword by John Ortberg **Pastor Appreciation Book of Ideas** Church of God Men's Discipleship, 2015-01-29 Pastor Appreciation Book of Ideas God speaks about pastors in Jeremiah 3 15 And I will give you shepherds according to My heart who will feed you with knowledge and understanding Pastors are special people They are leaders spiritual guides and partners in ministry Although local churches appreciate pastors all year long it is good to set aside one Sunday to especially let them know they are loved and respected This is the focus of Pastor Appreciation Sunday and the special events sponsored during the week This Pastor Appreciation Book of Ideas is a must have providing hundreds of thoughts and ideas to help make Pastor Appreciation Day a highlight on your church calendar of events This is a book filled with ideas to help congregation honor their pastor Discipleship by Design Harvey A. Herman, 2008-08-06 As Jesus walked beside the Sea of Galilee he saw Simon and his brother Andrew casting a net into the lake for they were fishermen Come follow me Jesus said and I will make you fishers of men The relationship between Jesus and these brothers started with the simple words Come follow me In essence a disciple of Jesus is a follower Eventually Jesus twelve followers will change the world However it is an inconspicuous and unremarkable beginning for an eventual team of world changers don t you think How will an assortment of unschooled ordinary men be transformed into courageous and substantive heralds in just three short years Transformation complete and deep seated transformation is the answer How does a total metamorphosis take place within a new follower Jesus discipleship begins with a personal relationship and an invitation to join a missional community Before followership is a program it is a leadership development process experienced within a culture This book seeks to initiate a dialogue on how to foster a culture of discipleship No program can fulfill The Great Commission However a community of believers committed to transforming the world through the process of disciple making can Harvey A Herman is a missionary serving university students Over the previous three decades he pioneered five campus groups pastored a university church in Seattle and served on the national staff of Chi Alpha Christian Fellowship Presently he serves as area director over the Northeast His doctorate is in strategic leadership and organizational management **Crossing the Discipleship Chasm** Matt Lake, 2024-09-10 When the road ahead seems too challenging for a conventional approach staying put is not an option This may feel like the reality of today s ministry landscape Helping others follow Jesus is no longer straightforward the path often seems blocked by cultural obstacles But we cannot stay where we are What s needed is a higher way a path that rises above the challenges strong enough to support your journey yet flexible enough to adapt to the changing terrain In Crossing the Discipleship Chasm pastor and consultant Matt Lake draws from deep experience in ministry to introduce a transformative approach that revives the original mission of the church adaptive discipleship Grounded in thorough research and tested relationships his method offers a way forward Too often local churches in their anxiety jump to quick programmatic solutions to address the lack of discipleship happening in their settings However jumping to a solution that ignores the context and deeper issues of the problem only leads to surface level technical responses It will never work in the long run His solution
