

"Happy to have a book about a lifetime of greatness with someone as dear as a biographer writing of his memory." Antonio Cooper's memoirs look at his 40-year life story that he lived in the heart of the South. Cooper is such a great man and in this magnificent biography, and will surely be remembered for ever as one of the very best of men."

— **John Mervin, Film Critic**

"It was an easy writing; a biography of someone as he has provided so much of his own life into his books, but Aronson Cooper has done a brilliant job. The story goes along, as Leigh Fermor's life did, with friends and lovers, books and journeys and parties, all rolling and jangling around like it is a song and physics thing. And in the quieter moments we are left with something far more profound; a man who felt the world was endlessly fascinating, and who was able to take his place in the world and live with complete confidence. It is a great pleasure that it gave him."

Barney Rappaport, Philadelphia

To be sure, Patrick Leigh Fermor remained curious and open-minded to an almost innocent degree and was a conveyor of optimism and humor to his younger admirers. The ranking of his life as real and intense, the ideal of the hero, will be a real one."

Live is the first gathering of Sartre's essays in English to draw on all ten volumes of *Situations* the title under which Sartre collected his essays during his life while also featuring previously uncollected work including the reports Sartre filed during his 1945 trip to America Here Sartre writes about Faulkner Bataille Giacometti Fanon the liberation of France torture in Algeria existentialism and Marxism friends lost and found and much else *We Have Only This Life* to Live provides an indispensable panoramic view of the world of Jean Paul Sartre

The Alteration Kingsley Amis, 2013-05-07 BOOKER PRIZE WINNING AUTHOR Set in a world in which the Reformation failed this award winning science fiction tale is one of the best alternate worlds novels in existence Philip K Dick In Kingsley Amis's virtuoso foray into virtual history it is 1976 but the modern world is a medieval relic frozen in intellectual and spiritual time ever since Martin Luther was promoted to pope back in the sixteenth century Stephen the Third the king of England has just died and Mass Mozart's second requiem is about to be sung to lay him to rest In the choir is our hero Hubert Anvil an extremely ordinary ten year old boy with a faultless voice In the audience is a select group of experts whose job is to determine whether that faultless voice should be preserved by performing a certain operation Art after all is worth any sacrifice How Hubert realizes what lies in store for him and how he deals with the whirlpool of piety menace terror and passion that he soon finds himself in are the subject of a classic piece of counterfactual fiction equal to Philip K Dick's *The Man in the High Castle* *The Alteration* won the John W Campbell Memorial Award for best science fiction novel in 1976

The Gate Natsume Soseki, 2012-12-04 An NYRB Classics Original A humble clerk and his loving wife scrape out a quiet existence on the margins of Tokyo Resigned following years of exile and misfortune to the bitter consequences of having married without their families consent and unable to have children of their own Suke and Oyone find the delicate equilibrium of their household upset by a new obligation to meet the educational expenses of Suke's brash younger brother While an unlikely new friendship appears to offer a way out of this bind it also soon threatens to dredge up a past that could once again force them to flee the capital Desperate and torn Suke finally resolves to travel to a remote Zen mountain monastery to see if perhaps there through meditation he can find a way out of his predicament This

moving and deceptively simple story a melancholy tale shot through with glimmers of joy beauty and gentle wit is an understated masterpiece by one of Japan's greatest writers At the end of his life Natsume Soseki declared *The Gate* originally published in 1910 to be his favorite among all his novels This new translation captures the oblique grace of the original while correcting numerous errors and omissions that marred the first English version **Proper Doctoring** David

Mendel, 2013-09-24 People come to us for help They come for health and strength With these simple words David Mendel begins *Proper Doctoring* a book about what it means and takes to be a good doctor and for that reason very much a book for patients as well as doctors which is to say a book for everyone In crisp clear prose he introduces readers to the craft of medicine and shows how to practice it Discussing matters ranging from the most basic how doctors should dress and how they should speak to patients to the taking of medical histories the etiquette of examinations and the difficulties of diagnosis Mendel moves on to consider how the doctor can best serve patients who suffer from prolonged illness or face death

Throughout he keeps in sight the fundamental moral fact that the relationship between doctor and patient is a human one before it is a professional one As he writes with characteristic concision The trained and experienced doctor puts himself or his nearest and dearest in the patient's position and asks himself what he would do if he were advising himself or his family No other advice is acceptable no other is justifiable *Proper Doctoring* is a book that is admirably direct as well as wise witty deeply humane and frankly indispensable *Pitch Dark* Renata Adler, 2013-03-19 A strange thrilling novel about desperate

love paranoia and heartbreak by one of America's most singular writers What's new What else What next What's happened here *Pitch Dark* is a book about love Kate Ennis is poised at a critical moment in an affair with a married man The complications and contradictions pursue her from a house in rural Connecticut to a brownstone apartment in New York City to a small island off the coast of Washington to a pitch black night in backcountry Ireland Composed in the style of Renata Adler's celebrated novel *Speedboat* and displaying her keen journalist's eye and mastery of language both simple and sublime *Pitch Dark* is a bold and astonishing work of art *In Love* Alfred Hayes, 2013-07-23 This heart stoppingly good

masterpiece about a crumbling love affair in 1950s New York perfectly captures the desperate desire for love and the recognition that it is slipping away Slate One of the greatest bleakest breakup stories ever told The New York Observer New York in the 1950s A man on a barstool is telling a story about a woman he met in a bar early married and soon divorced her child farmed out to her parents good looking if a little past her prime They'd gone out they'd grown close but as far as he was concerned it didn't add up to much He was a busy man Then one day out dancing she runs into a rich awkward lovelorn businessman He'll pay for her to be his pay her a lot And now the narrator discovers that he is as much in love with her as she is with him perhaps more though it will take him a while to realize just how utterly lost he is Executed with the cool smoky brilliance of a classic Miles Davis track *In Love* is an unequalled exploration of the tethered and untethered heart
