Bridging the Literacy Achievement Gap, Grades 4-12 Dorothy S. Strickland, Donna E. Alvermann, 2004-05-26 This book addresses critical issues related to pre adolescent and adolescent literacy learners with a focus on closing the achievement gap Despite efforts by educators and policymakers during the past several decades certain groups of students primarily African American students English language learners and students from low income homes continue to underperform on commonly used measures of academic achievement Too often teachers and administrators lack both proper preparation and good ideas to confront these issues *National Library of Medicine Audiovisuals Catalog* National Library of Medicine (U.S.), Exemplary Science for Resolving Societal Challenges Robert Eugene Yager, 2010 Amid a flurry of national standards and high stakes assessments it is easy to overlook the curiosity and invention that is inherent to science and that should be central to any science lesson plan Similarly the connections between what students learn in the classroom and the issues facing our society are often lost in the race to cover the content This title focuses on how to successfully draw on these problems to illustrate the use and understanding of science for all learners World History Candice Goucher, Linda Walton, 2013-03-12 World History Journeys from Past to Present uses common themes to present an integrated and comprehensive survey of human history from its origins to the present day By weaving together thematic and regional perspectives in coherent chronological narratives Goucher and Walton transform the overwhelming sweep of the human past into a truly global story that is relevant to the contemporary issues of our time Revised and updated throughout the second edition of this innovative textbook combines clear chronological progression with thematically focused chapters divided into six parts as follows PART 1 EMERGENCE Human origins to 500 CE PART 2 ORDER 1 CE 1500 CE PART 3 CONNECTIONS 500 1600 CE PART 4 BRIDGING WORLDS 1300 1800 CE PART 5 TRANSFORMING LIVES 1500 1900 PART 6 FORGING A GLOBAL COMMUNITY 1800 Present The expanded new edition features an impressive full color design with a host of illustrations maps and primary source excerpts integrated throughout Chapter opening timelines supply context for the material ahead while end of chapter questions and annotated additional resources provide students with the tools for independent study Each chapter and part boasts introductory and summary essays that guide the reader in comprehending the relevant theme In addition the companion website offers a range of resources including an interactive historical timeline an indispensable study skills section for students tips for teaching and learning thematically and PowerPoint slides lecture material and discussion questions in a password protected area for instructors This textbook provides a basic introduction for all students of World History incorporating thematic perspectives that encourage critical thinking link to globally relevant contemporary issues and stimulate further study *Transformations of Myth Through Time* Evan Eisenberg, Pbs Adult Learning Service, 1989-08 *Teaching in the Standards-based Classroom*, 2001 Virtually every

national standards document every state framework and every local set of standards calls for fundamental changes in what and how teachers teach The challenge for teachers is to implement the vision for mathematics and science classrooms called for in the standards This issue describes that vision and suggests ways to use the standards mandated in your school to improve your practice to help you teach in your standards based classroom
