including scientific knowledge is always shaped by the specific socio cultural concerns of the particular historical context These include the changing meanings of work in a neoliberal economy as well as culturally specific dreams of finding freedom and self actualization in Canada s vast nature Drawing on nearly two years of fieldwork in Banff and a decade of conversations with the guides Satsuka argues that knowing nature is an unending process of cultural translation full of tensions contradictions and frictions Ultimately the translation of nature concerns what counts as human what kind of society is envisioned and who is included and excluded in the society as a legitimate subject **Adventure Guide to the Canadian Rockies** Brenda Koller,2011-12-01 We travel to grow our Adventure Guides show you how Experience the places you visit more directly freshly intensely than you would otherwise sometimes best done on foot in a canoe or through cultural adventures like art courses cooking classes learning the language meeting the people joining in the festivals and celebrations This can make your trip life changing unforgettable All of the detailed information you need is here about the hotels restaurants shopping sightseeing But we also lead you to new discoveries turning corners you haven t turned before helping you to interact with the world in new ways That s what makes our Travel Adventure Guides unique The author is fascinated with these islands and her passion comes across in the text which is lively revealing and a pleasure to read Detailed town and regional maps make planning day trips or city tours easy Adventures covered range from town sightseeing tours and nature watching to sea kayaking and mountain climbing excursions Travelers looking for a more relaxed vacation may want to sign up for dance lessons and take part in the local Carnaval or join a local cycling club and tackle some of the most scenic areas these cultural adventures will introduce you to the people and afford you a truly unique travel experience This guide focuses on Cura ao primarily and is based on material found in our larger book Aruba Bonaire Curacao Pocket Adventures **The Political Economy of Affect and Emotion in East Asia** Jie Yang,2014-05-09 When thinking about the culture and economy of East Asia many attribute to the region a range of dispositions including a preference for consensus and social harmony loyalty and respect towards superiors and government family values collectivism and communitarianism Affect is central to these concepts and yet the role of affect and its animated or imagined potentialities in the political economy of East Asia has not been systematically studied The book examines the affective dimensions of power and economy in East Asia It illuminates the dynamics of contemporary governance and ways of overcoming common Western assumptions about East Asian societies Here affect is defined as felt quality that gives meaning and imagination to social political and economic processes and as this book demonstrates it can provide an analytical tool for a nuanced and enriched analysis of social political and economic transformations in East Asia Through ethnographic and media analyses this book provides a framework for analyzing emerging phenomena in East Asia such as happiness promotion therapeutic governance the psychologization of social issues the rise of self help genres transnational labor migration new ideologies of gender and the family and mass mediated affective communities Through the lens of affect theory the contributors explore changing political configurations economic

engagements modes of belonging and forms of subjectivity in East Asia and use ethnographic research and discourse analysis to illustrate the affective dimensions of state and economic power and the way affect informs and inspires action This interdisciplinary book will be of great interest to students and scholars of Asian studies anthropology sociology media studies history cultural studies and gender and women s studies DK Eyewitness Travel Guide: Canada DK Publishing,2012-04-02 Skiing in the Rockies whale watching off Newfoundland eating dim sum in Vancouver or enjoying steak frites in Montreal Canada offers an enormous diversity of attractions for visitors The national parks are just as amazing as those in the USA while the major cities rival European capitals for their nightlife music dance shopping and theatre The DK Eyewitness Travel Guide is packed with useful tips and sumptuous photography ensuring you experience the best this incredible country has on offer Detailed maps city plans thematic tours and walks enable you to explore the regions in depth whilst 3D cutaways and models of all the major sights from the Art Gallery of Ontario to the Royal British Colombia Museum provide detailed insight into the most worthy attractions Whether you are enjoying the scenery of Niagra taking in the view from Toronto s CN tower or devouring a Lobster platter in Quebec City enjoy spectacular Canada with the Eyewitness Travel Guide Federal Register ,2001-12 *The complete cyclist travel guide for Colorado (USA)* ,2025-08-15 DK Eyewitness Travel Guide: Southwest USA & Las Vegas DK Publishing,2010-09-01 The DK Eyewitness Southwest USA and Las Vegas travel guide will lead you straight to the best attractions the region has to offer Whether you re taking in the views at the Grand Canyon gambling in Las Vegas or enjoying the hot pools at Jemez Springs this guide provides all the insider tips every visitor needs with comprehensive listings of the best hotels restaurants shops and nightlife for all budgets It s fully illustrated and covers all the major areas from Utah Santa Fe and Alberquerque to Phoenix Las Vegas and Arizona You ll find 3D cutaways and floorplans of all the must see sites there s even a cutaway to show the geology of the Grand Canyon plus reliable information for getting around this diverse region Exploring the culture history and architecture not missing the best in entertainment shopping tours and scenic walks DK Eyewitness Southwest USA and Las Vegas is your essential companion DK Eyewitness Southwest USA and Las Vegas showing you what others only tell you **DK Eyewitness Travel Guide: Southwest USA & Las Vegas** ,2012-07-02 Now available in PDF format DK Eyewitness Travel Guide Southwest USA and Las Vegas will lead you straight to the best attractions the region has to offer Whether you re taking in the views at the Grand Canyon gambling in Las Vegas or enjoying the hot pools at Jemez Springs this guide provides the insider tips you need Fully illustrated it covers all the major areas including Utah Santa Fe Albuquerque to Phoenix Las Vegas and Arizona DK Eyewitness Travel Guide Southwest USA and Las Vegas explores the culture history architecture entertainment shopping tours and scenic walks You ll find 3 D illustrated cutaways and floor plans of the must see sights including a cutaway illustration showing the geology of the Grand Canyon as well as street maps and reliable information for getting around this diverse region Plus this guidebook is packed with comprehensive listings of the best hotels restaurants shops and nightlife in each area for all
