

INTERVIEW QUESTIONS AND ANSWERS EXAMPLES

Tell Me A Little Bit About Yourself

I am a student of human behaviour and have excelled in all of my studies due to my passion and dedication. I am a hard working individual who thrives from gaining new experiences and information. My interests outside of my professional life include yoga, golf and reading and I am currently doing some volunteer work for a charity which helps victims of crime. I am extremely punctual and pride myself on exceptional manners and kindness.

What Is The Reason For Leaving Your Previous Job?

I spent three years working for (company name) where I gained a lot of knowledge which complimented my studies. However, I feel that there are no further challenges for me within my current role and so am looking to broaden my horizons and join a new company where I can provide new ideas and meet new challenges. I thoroughly enjoyed my time working for (company name) and it will be sad to leave them behind but exciting to begin a new chapter in my career.

What Salary Are You Expecting?

I am aware that this particular role usually involves a salary around \$50,000, however, I feel that this figure could be negotiated based on my experience and education level.

What Goals And Ambitions Do You Have For The Future?

My main goal in applying for this position of Psychologist is to help people. The reason that I entered into this career was to make a difference to those who I work with and to bring new techniques to the forefront. My passion for people has evolved over time and I am looking to form new professional relationships through which, new ideas and research can be shared. I am striving to further my knowledge on human behaviour and successfully apply this to my patients.

Why Are You The Best Candidate For This Position?

I believe that I am the best candidate for this role because of my dedication to my work. For me, my career is the most important thing in my life and this has been proven time and time again through the results I have produced. You need someone who is going to demonstrate passion and determination and by hiring me, this is exactly what you will be getting. This is not simply a job to me, this is a way of life.

What Are Your Main Weaknesses?

The one weakness that I found that I have over the last few years is my lack of IT skills. Unfortunately, I did not see this as important when I first began my journey in my career. I found that I was regularly having to ask for help when it came to computer based work and so I decided that this needed to change. I, therefore, began two online courses in the field of IT and as such drastically improved my skills.

What Strengths Do You Have That Would Benefit The Company?

I believe that my biggest strength is my ability to listen. I feel that this is extremely important in my role and enables me to understand people better. I also believe that I have excellent communication skills which will not only benefit my patients but also those with whom I am working. I am also an extremely innovative person who is continually coming up with new ideas and ways of doing things which, I believe will greatly benefit your company.

What Can You Tell Me About (Company Name?)

123 Company was founded in 1972 by a passionate doctor who wanted to provide private mental health care at an affordable rate. He had a passion for people and spent his life dedicated to this cause. When he passed away in 2004, his son took over the business and has brought it to new heights with the incorporation of a respite centre which has not only been beneficial to the patients but has also created many new jobs in the field of nursing. The company also works alongside mental health charities providing free care to those who are unable to afford care by themselves and this included centres for the homeless and vulnerable.

Behavioral Emergencies and Crises Phillip M. Kleespies, 2016-09-19 The Oxford Handbook of Behavioral Emergencies and Crises includes the most up to date and valuable research on the evaluation and management of the most challenging patients or clients faced by mental health providers individuals who are at high risk of suicide or of other directed violence or of becoming the victims of interpersonal violence These are cases in which the outcome can be serious injury or death and there can be negative consequences not only for the patient but also for the patient's family and friends for the assessing or treating clinician and for the patient's clinic or medical center Virtually all mental health clinicians with an active caseload will see individuals with such issues This Handbook is comprised of chapters by leading clinicians researchers and scholars in this area of practice It presents a framework for learning the skills needed for assessing and working competently with such high risk individuals Chapters draw a distinction between behavioral emergencies and crises and between emergency intervention and crisis intervention The book examines the inter related aspects of the major behavioral emergencies that is for example the degree to which interpersonal victimization may lead an individual on a pathway to later suicidal or violent behavior or the degree to which suicidal individuals and violent individuals may share certain cognitive characteristics This resource is not simply a knowledge base for behavioral emergencies it also presents a method for reducing stress and acquiring skills in working with high risk people

Case Management Arthur J. Frankel, Sheldon R. Gelman, Diane K. Pastor, 2018-12-03 Over the course of 20 years this text has approached case management as both an art and a science by providing students and practitioners with the basics of case management theory skills and applications This fourth edition which focuses on both the social work and nursing professions offers trainers instructors and students detailed information about how case management is delivered major issues encountered in practice how services are affected by different populations and the unique skills that are required by case managers in order to be effective Chapter exercises and case examples help readers practice some of the skills associated with the content offered Case Management is unique in that it brings together the major professions that conduct case management in the United States It is focused on skill learning more than theory and discusses not only the importance of case management in the current social work and medical milieu but also the challenges that case managers face in helping clients Additionally the text offers a model for integrated case management between professions and in numerous settings including nursing centers community mental health facilities and criminal justice centers

The Family, 1929 *Inside Asylum Bureaucracy: Organizing Refugee Status Determination in Austria* Julia Dahlvik, 2018-04-03 This open access monograph provides sociological insight into governmental action on the administration of asylum in the European context It offers an in depth understanding of how decision making officials encounter and respond to structural contradictions in the asylum procedure produced by diverging legal political and administrative objectives The study focuses on structural aspects on the one hand such as legal and organisational elements and aspects of agency on the other hand examining the social practices and processes going on at the frontside and the

backside of the administrative asylum system Coverage is based on a case study using ethnographic methods including qualitative interviews participant observation as well as artefact analysis This case study is positioned within a broader context and allows for comparison within and beyond the European system building a bridge to the international scientific community In addition the author links the empirical findings to sociological theory She explains the identified patterns of social practice in asylum administration along the theories of social practices social construction and structuration This helps to contribute to the often missing theoretical development in this particular field of research Overall this book provides a sociological contribution to a key issue in today s debate on immigration in Europe and beyond It will appeal to researchers policy makers administrators and practitioners as well as students and readers interested in immigration and asylum **The**
