No Longer Mine:

A Parisian Affair and Other Stories Guy de Maupassant, 2004-06-24 Set in the Paris of society women prostitutes and small minded bourgeoisie and the isolated villages of rural Normandy that de Maupassant knew as a child the thirty three tales in this volume are among the most darkly humorous and brilliant short stories in nineteenth century literature They focus on the relationships between men and women as in the poignant fantasy of A Parisian Affair between brothers and sisters and between masters and servants Through these relationships Maupassant explores the dualistic nature of the human character and his stories reveal both nobility civility and generosity and in stories such as At Sea and Boule de Suif vanity greed and hypocrisy Maupassant's stories repeatedly lay humanity bare with deft wit and devastating honesty

Levinas, Law, Politics Marinos Diamantides, 2007-08-07 In this volume political theorists philosophers and legal scholars critically engage with this idealization of Emmanuel Levinas ethics The rebelliousness of Levinas thought is rediscovered here and used to challenge preconceptions of social legal and individual responsibility

Medea, Magic, and Modernity in France Ms Amy Wygant, 2013-04-28 Bringing together the previously disparate fields of historical witchcraft reception history poetics and psychoanalysis this innovative study shows how the glamour of the historical witch a spell that she cast was set on a course over a span of three hundred years from the sixteenth to the eighteenth centuries to become a generally broadcast glamour of appearance Something that a woman does that is became something that she has The antique heroine Medea witch and barbarian infamous poisoner infanticide regicide scourge of philanderers and indefatigable traveller serves as the vehicle of this development Revived on the stage of modernity by La P ruse in the sixteenth century Corneille in the seventeenth and the operatic composer Cherubini in the eighteenth her stagecraft and her witchcraft combine author Amy Wygant argues to stun her audience into identifying with her magic and making it their own In contrast to previous studies which have relied upon contemporary printed sources in order to gauge audience participation in and reaction to early modern theater Wygant argues that psychoanalytic thought about the behavior of groups can be brought to bear on the question of what happened when the early modern witch was staged This cross disciplinary study reveals the surprising early modern trajectory of our contemporary obsession with magic Medea figures the movement of culture in history and in the mirror of the witch on the stage a mirror both appealing and appalling our own cultural performances are reflected It concludes with an analysis of Diderot's claim that the historical process itself is magical and with the moment in Revolutionary France when the slight and fragile body of the golden throated singer Julie Ang lique Scio became a Medea for modernity not a witch or a child murderess but as all the press reviews insist a woman

Heaven II, The Sequel Debra V. Harper, 2024-02-21 God's methods of manifesting Himself in the world are often mysterious Apart from His divine presence we can do nothing The believer must be still and know He is God Psalms 46 10 and desires intimacy with His creation This level of intimacy requires discipline in seeking daily His presence and giving unto Him the details of your life You will not have anything to lose but everything to gain when you learn to sit in God's presence and breathe in His peace that will give you REST when you become strained and discouraged with the cares of life As you spend time and linger quietly in His divine presence He will reveal to you your purpose Religion can become habitual But a relationship with the Holy presence of God will create an intimacy of compassion empathy and love that is spontaneous and much needed in the world today Will you accept the call to deeper intimacy beyond your professed religious denomination to

gain in depth revelatory knowledge into the mysteries of God imparted as a result Come and journey with me again in healing conversations at Heaven's throne in Part II of Salutations from Heaven The Sequel H I M and learn how to begin each day lingering and abiding in the presence of God The mystery of Heaven can be imparted to you as a result of your Holy Seek

The Bodies of Others José A. Sánchez, 2022-02-24 Available in English for the first time The Bodies of Others investigates through a series of close readings of several theatrical and film productions in Europe and South America the relationship between representation including theatrical representation and ethics defined as an ongoing relational negotiation as opposed to a set of universal moral laws The main concepts are exposed through a comparative analysis of historical processes political actions and artistic works from different periods Thus the dialogue between the film *La carrosse d'or* by Jean Renoir 1952 and *Rosa Cuchillo* by Yuyachkani 2006 serves to address the problem of the multiple meanings of representation The dialogue between the play *El Se or Gal ndez* by Eduardo Pavlovsky 1973 the performance *The Conquest of America* by Las Yeguas del Apocalipsis 1989 and the novel *2666* 2004 by Roberto Bola o allows the concept of an ethic of the body to be addressed Other key concepts such as identity care cruelty violence memory and testimony are considered through investigation of work such as Angelica Liddel's theatre pieces *Rabih Mrou* and *Lina Majdalanie's* performances Albertina Carri Basilio Mart n Patino and Apichatpong Weerasethakul's films and Mapa Teatro's trans disciplinary creations
