The Great Indian Phone Book Assa

Doron, Robin Jeffrey, 2013-04-02 In 2001 India had 4 million cell phone subscribers Ten years later that number had exploded to more than 750 million Over just a decade the mobile phone was transformed from a rare and unwieldy instrument to a palm sized affordable staple taken for granted by poor fishermen in Kerala and affluent entrepreneurs in Mumbai alike The Great Indian Phone Book investigates the social revolution ignited by what may be the most significant communications device in history one which has disrupted more people and relationships than the printing press wristwatch automobile or railways though it has qualities of all four In this fast paced study Assa Doron and Robin Jeffrey explore the whole ecosystem of the cheap mobile phone Blending journalistic immediacy with years of field research experience in India they portray the

capitalists and bureaucrats who control the cellular infrastructure and wrestle over bandwidth rights the marketers and technicians who bring mobile phones to the masses and the often poor village bound users who adapt these addictive and sometimes troublesome devices to their daily lives Examining the challenges cell phones pose to a hierarchy bound country the authors argue that in India where caste and gender restrictions have defined power for generations the disruptive potential of mobile phones is even greater than elsewhere The Great Indian Phone Book is a rigorously researched multidimensional tale of what can happen when a powerful and readily available technology is placed in the hands of a large still predominantly poor population *Graphic Sports* Joe Aggrey,1998-06-16 COMMUNICATION SKILLS FOR ENGINEERS AND SCIENTISTS, SECOND EDITION SHARMA, SANGEETA,MISHRA, BINOD,2023-08-01 In today's fast paced era of information technology communicating effectively has become an indispensable skill sought after by organizations worldwide Professionals who possess excellent communication skills are well equipped to navigate the challenges of the modern professional world where diverse paths like writing speaking reading and listening converge This all encompassing student friendly textbook delves into the crucial aspects of technical communication tailored specifically for students of science and engineering Divided into two parts this book provides a complete understanding of the essential skills required to thrive in the realm of technical communication Part A of the text through in depth exploration introduces students to the intricacies of drafting business documents the significance of effective teamwork and offers remedies to communication breakdown Furthermore a dedicated chapter on Advertising sheds light on the art of persuasive communication Part B focuses on the collective and individual requirements of group communication With a practical approach it explores the intricacies of delivering impactful presentations decoding non verbal cues mastering the art of speeches excelling in interviews and honing negotiation skills These skills are essential for young professionals aiming to thrive in new challenges and excel in their careers This captivating text now in its Second Edition features a brand new chapter Technology in Communication The chapter highlights the revolutionary role of technology in disseminating fast and efficient information through online platforms In addition it also forewarns the disadvantages of technology in communication Overall the content emphasizes the transformative role of technology in communication and the need for responsible and mindful usage to maximize its benefits Primarily intended as a text for undergraduate students of engineering and science this compact book is also of immense value to the students of business management In addition the text would be a handy reference for practicing professionals who wish to hone their communication skills for achieving better results and should prove extremely useful for those involved in everyday communication TARGET AUDIENCE B Tech MBA PDGM BBA *The Herald* ,2005 *Newsline* ,2006 **Daily Graphic** Ransford Tetteh,2008-12-15 **GO TO Guide for CLAT & other Law Admission Tests with Passage based Questions 3rd Edition** Disha Experts,2021-11-13 GO TO Guide for CLAT other Law Admission Tests with latest pattern Passage based Questions as the name suggests is a One Stop Solution for all your requirements for
