

The NYC Training Guide helps people who are looking for job training programs. The guide provides important information about training classes offered in New York City. Go to www.nyc.gov/trainingguide to use the guide.

Use these tips to help you understand how to use the training guide tool:

Tip #1: Search for a job

Use the SEARCH tab to search for courses by industry, job title, location, or other options. Click the down arrows to the right of each box to see what options you can choose from, or type in your own keywords in the keyword box. You can also type in your zip code to find courses in your neighborhood.

Tip #2: Learn more about the courses

Click on the column headers to see the course listings. Click on the course name to get more information, such as the course price and school contact information. If you are looking for a specific course, click on "School" to see the list of schools in alphabetical order (from A to Z). Then scroll down to find the school that you are looking for.

Search Results (7) sorted by: Courses and Subcontractors, School and Courses, System Administrators

*Note: Click on the column header to sort by that column
