

Path to Redemption

The background of the entire cover is a photograph of a sunset. The sun is a bright, glowing orb positioned just above the horizon line. It casts a long, shimmering reflection directly downwards onto the water's surface. The sky is filled with soft, wispy clouds that catch the light from the setting sun, creating a palette of warm oranges, yellows, and deep reds. The water in the foreground is dark, with the primary light source being the sun's reflection, which creates a series of bright, horizontal ripples.
