New Federal Income Tax regulations require donors claiming deductions for contributions consisting of property other than cash with more than \$500 to file Internal Revenue Service Form 8283, "Notice of Charitable Contribution." Where the Non-cash charitable contribution, other than publicly traded securities, exceeds \$500 (including similar property contributed to one or more charitable organizations), the donee charitable organization must acknowledge the contribution on the Form 8283. In addition, donee charitable organizations are required to file Internal Revenue Service Form 8283, "Donor Information Return," when they dispose of certain property the receipt have acknowledged on a Form 8283. (See IRS Publication 581 (Revised November 1993) "Determining the Value of Donated Property" for detailed information.)
