Hoover, 2017-11-04 In 1944 Muriel discarded her friendship with Sanna and concocted a self-centered plot which gave her what she wanted: Derek VanHousen. That Sanna and Derek were all but publicly engaged didn't deter Muriel. Blindly she plunged into the murky waters of self-gratification, latching on to everything but a clean conscience and peace of mind. Now it is 1964 and Sanna is returning to Dutchville. With his first love walking the same streets again, will Derek remain true to his wife? Muriel has a tough row ahead if she's going to make what she knows to be fiction a happy VanHousen marriage seem real enough to fool Sanna. Muriel has a two-pronged problem: 1. keeping face in a town that remembers her deviousness and 2. resurrecting the vivacious Young Muriel who snagged her best friend's true love. Life is in disarray for the VanHousen family while Sanna is as enticing as ever. Sometimes you just can't escape shadows, even shifting shadows. *The Type-A Guide to*

Dinner Parties Elizabeth Spann Craig, 2024-11-19 A party becomes perilous when murder is on the menu. Samantha Prescott, the epitome of Type A organization, is determined to prove that hosting the perfect dinner party is a precise art form. From meticulously arranged seating to an RSVP system that could rival NASA's mission control, Sam's approach is nothing short of perfection. As she sends out invitations with embedded polls on dietary restrictions, arranges the table with military precision, and thoughtfully places cards for a seating arrangement worthy of a royal banquet, Sam believes she has anticipated every possible hiccup. Little did she know that a murder would be the unexpected guest at her rigorously planned dinner. Now armed with her trusty lists, suspect scorecards, and a flair for deduction, Sam embarks on a quest to unmask the killer hiding among her seemingly well-mannered guests. Will she crack the case before dessert, or will her Type A tendencies become a recipe for disaster?

Baldwin: A Love Story Nicholas Boggs, 2025-08-19 Drawing on new archival material, original research, and interviews, this spellbinding book is the first major biography of James Baldwin in three decades, revealing how profoundly his personal relationships shaped his life and work. *Baldwin: A Love Story*, the first major biography of James Baldwin in three decades, reveals how profoundly the writer's personal relationships shaped his life and work. Drawing on newly uncovered archival material and original research and interviews, this spellbinding book tells the overlapping stories of Baldwin's most sustaining intimate and artistic relationships with his mentor, the Black American painter Beauford Delaney; with his lover and muse, the Swiss painter Lucien Happersberger; and with his collaborators, the famed Turkish actor Engin Cezzar and the iconoclastic French artist Yoran Cazac, whose long overlooked significance as Baldwin's last great love is explored in these pages for the first time. Nicholas Boggs shows how Baldwin drew on all the complex forces within these relationships—geographical, cultural, political, artistic, and erotic—and alchemized them into novels, essays, and plays that speak truth to power and had an indelible impact on the civil rights movement and on Black and queer literary history. Richly immersive, *Baldwin: A Love Story* follows the writer's creative journey between Harlem, Paris, Switzerland, the southern United
