Howard, Elaine Makas, Pamela J. Ill, 2004 Howard and Ill have given educators a stunning encyclopedic handbook on career
pathways Loaded with helpful lists and charts and written in a clear conversational tone *Career Pathways* is the new
indispensable resource for superintendents principals counselors and teachers Elaine Johnson Honorary FellowHuron
College *Career Pathways* is the most comprehensive curriculum approach to achieving the dual goal of academic and career
maturity High school educators who seek to promote not just college admissions but college success should consider the
career pathways approach Kenneth Gray ProfessorPenn State University Just imagine all students in your high school taking
ownership of their own learning This is exactly what happens in a student centered *Pathways High School* Instructionally
based the Collaborative Career Pathways approach is to help all students add relevancy to their school work by preparing for
the future Collaborative Pathway High Schools allow students to self manage and problem solve to better prepare for their
future This excellent resource brings together three crucial pillars the classroom the community and the counseling
processes that are found in all high schools Students begin this process by learning about their aptitudes skills and interests
and then selecting one of several broad career paths such as Human Services or Science and Industry Students experience
ongoing goal setting and decision making Through the classroom community and counseling processes your students will be
able to design and implement a plan that is just right them This is what student centered learning is all about Classroom
processes remain the key to student centered and self directed learning Integration occurs naturally as students have the
opportunity to participate in integrated learning units that include the four core subject areas technology and one or two
electives that all align to state and national standards and benchmarks Community opportunities begin with guest speakers
chat partners and field trip visits and then progress to job shadowing internships mentorships and senior capstone projects
Counseling becomes a key component for students in the areas of academic career and social and personal skill development
Ample opportunities abound for role modeling and practice in teaming problem solving conflict resolution character

development self management goal setting and decision making By employing the Career Pathways model your school can add relevancy to what students learn and do during their high school years Help students be more focused and team oriented and the true drivers of their own learning The Handbook of Mass Media Ethics Lee Wilkins, Clifford G.
