The No-Nonsense Guide to World Population Vanessa Baird, 2011-08-16 No Nonsense Guide to World Population 1 2 page With world population passing seven billion and predicted to hit nine billion by 2050 we are in the grip of a number panic This book explodes some of the common myths looks at what the numbers really mean and addresses nine topics such as why women in most parts of the world have fewer children what will happen to our societies as we all live longer and how having babies relates to climate change Vanessa Baird is co editor at New Internationalist magazine Her previous books include *The No Nonsense Guide to Sexual Diversity* and as compiler and editor *Eye to Eye Women* [The No-nonsense Guide to Globalization](#) Wayne Ellwood, 2010 Globalisation has become one of the most used and encompassing words over the past decade of undeniable influence in economics politics and activism Globalisation is literally all around every aspect of life is affected by a global structure of communication and economy This fully revised and updated guide condenses this complex subject into clear concise commentary It examines the debt trap the acceleration of neoliberalism competition for energy resources the links between the war on terror the arms trade and the alternatives to corporate control *The No-Nonsense Guide to World History* Chris Brazier, 2011-08-16 Most people s knowledge of world history is hazy and incomplete at best This updated No Nonsense Guide gives a full picture revealing the hidden histories and communities left out of conventional history books from the civilizations of Africa Asia and Latin America to the history of women The new final chapter includes material on the financial crisis and the world response to climate change Chris Brazier is co editor at New Internationalist His previous books include *Vietnam The Price of Peace* He is principal writer for UNICEF s *The State of the World s Children* report **The No-Nonsense Guide to World Health** Shereen Usdin, 2007 A history of modern healthcare shows that public health is largely determined by socio economic factors **The No-nonsense Guide to Indigenous Peoples** Lotte Hughes, 2003 Indigenous peoples have long suffered from exoticization Outsiders elevate their beauty remoteness and difference and do not see beyond this to the real problems they face *The No Nonsense Guide to Indigenous Peoples* looks beyond the exotic images tracing the stories of different indigenous peoples from their first and often fatal contact with explorers and colonizers Much of this history is told here by indigenous people themselves They vividly describe why land and the natural world are so special to them how it feels to be snatched from your family as a child because the government wants to make you white why they are demanding that museums must return the bones of their ancestors how can they retain their traditional culture while moving with the times and what kinds of development are positive This short guide discusses all this and more raising countless issues for debate *The No-nonsense Guide to Global Media* Peter Steven, 2003 The power and influence of the mass media grows daily crucially affecting the way all of us see and understand each other *The No Nonsense Guide to Global Media* introduces readers to the political economy of the major media film television radio recording publishing and the Internet Peter Steven looks at the ever greater concentration of

ownership and at the convergence of technologies and media functions At the same time he emphasizes the diversity of local media production and media around the world The media is more than the economics of ownership and the technology of production he stresses it is also audiences in all their annoying and wonderful diversity

No-Nonsense Guide to International Development Maggie Black,2007

The No-nonsense Guide to Global Terrorism Jonathan Barker,2008
A highly accessible history of terrorism looking at core examples from the Middle East instances of state terrorism and terrorist fringes of political movements Covers the theories justifying and guiding terrorist acts and the battle of images that accompanies them including the proliferation of terrorist activities over recent years and international hotspots the war on terror terrorist acts carried out by states and the constraints on democracy and political and civil liberties that so often characterise the response to terrorism

The No-nonsense Guide to Women's Rights Nikki van der Gaag,2004
How much has life really changed for women during the last decade Has the womens movement affected women all over the world Has it changed womens relationships with men Nikki van der Gaag answers these questions with hard sometimes disturbing evidence Many women have made huge leaps forward in legal rights political representation employment education health but beneath the surface the statistics are shocking Vivid testimonies from women and men around the world explain why especially in this post feminist age womens rights are still very much an issue for men and women alike She has made a special effort to correct many of the misconceptions and biases related to the feminist movement to link the liberation of women who constitute half of society to the liberation of men and to the dispossessed majority living on earth from the introduction by Nawal El Saadawi

The No-Nonsense Guide to Sexual Diversity Vanessa Baird,2007-10-01
The treatment of sexual minorities whether lesbian gay bisexual or transgender varies significantly in different parts of the world In some countries equal rights have been achieved and progress is being made against discrimination in others being gay still incurs the death penalty This guide examines all the colors of the sexual rainbow unearths hidden histories and looks at contributions from medicine and science It also includes a unique global survey of laws that affect sexual minorities Vanessa Baird has been co editor at New Internationalist magazine since 1986 Her previous books include as compiler and editor Eye to Eye Women

The No-nonsense Guide to the United Nations Maggie Black,2008
Conveys the complexity of the UN assesses its record and considers options for reform

The No-nonsense Guide to International Development Maggie Black,2007
Building dams in India planting trees in Burkina Faso rescuing street children in Brazil these are images of aid and international development with which we can all identify However what passes for development all too often improves life for the better off while actively hurting the very people the venture was meant to support Maggie Black exposes the hypocrisy and reveals a more accurate picture of what is happening in development s name arguing for a process to be put in place that truly defends the interests of poor people

The No-nonsense Guide to Terrorism Jonathan Barker,2003
Terrorist or freedom fighter Analyzing the causes and contexts of terrorism the world over Barker guides readers through the

moral and political theories justifying and guiding terrorist acts *The No-nonsense Guide to Islam* Ziauddin Sardar, Merry Wyn Davies, 2007 A balanced portrayal of real Islam looking beyond the common perceptions and polemical debates It shows what Islam has achieved and shows why a better understanding of Muslims is needed throughout the world But it also explains why Islam needs to make itself more relevant by showing it can create a tolerant and peaceful society and explores the steps for reform A plain speaking independent view that informs current debates and puts modern developments into the context of the history of Islam and its people **Taking Out the Trash** Jennifer Carless, 1992-05-01 Taking Out the Trash is a practical and useful guide to how individuals businesses and communities can help alleviate America's garbage crisis

The No-nonsense Guide to World Music Louise Gray, 2009 A look behind the catch all term world music aiming to explore the reasons for the contemporary interest in world music who its audience is and why it has become such a popular genre Through chapters on the many different genres that make up this multi faceted area the case for music as a powerful harmonising tool is aptly put forward *The No-nonsense Guide to the Arms Trade* Gideon Burrows, 2002 The ending of the Cold War was supposed to increase global security and divert expenditure previously earmarked for arms purchases to more constructive ends Instead the arms trade has flourished Not only conventional arms but also police and surveillance equipment have been provided by Western countries seeking to make a profit from conflict in unstable parts of the world Foreign debt has remained high development has been held back and human rights have been systematically abused all with the connivance of an arms trade prepared to turn a blind eye to the uses to which increasingly sophisticated weaponry is put so long as hefty profits can be reaped This disturbing book names the players in the arms trade and charts the impact that it has had on war human rights and development The financial and trade mechanisms that permit the arms trade to continue are revealed amid sordid tales of bribery and corruption Gideon Burrows concludes his examination by reviewing the ways in which this trade can be controlled or even abolished *The No-Nonsense Guide to Science* Jerome Ravetz, 2006-11-01 Science is the great intellectual adventure but can also be an instrument of profit power and privilege Wrongly used it might yet make the twenty first century our last To make sense of this we need to let go of old ideas and assumptions This No Nonsense Guide to Science introduces a new way of thinking about science moving away from ideas of perfect certainty and objectivity We must accept uncertainty and ignorance in the field as well as the need for citizens participation in the policies involving science **The No-nonsense Guide to Conflict and Peace** Peter Greener, 2006 This invaluable guide is excellent for students peace groups and activists With tables maps case studies and quotes it looks at how conflict escalates and ways it can be prevented It examines the changing types of war including the War on Terror and ethnic conflict such as in Rwanda the role of diplomacy and the UN and what steps ordinary people are taking to re build communities It also offers ideas and inspiration for creating lasting peace **The No-nonsense Guide to International Migration** Peter Stalker, 2001 Includes statistics
