Taken Up and Preached Blayne A. Banting, 2019-12-20 Faithful biblical sermons not only attempt to capture what the biblical text says but also what the text is trying to do Biblical sermons will take direction from both the content and the intent of the biblical text In Taken Up and Preached Blayne Banting supplies examples of sermons from his own preaching ministry to illustrate the Homiletical Bridge methodology he developed in his previous book Take Up and Preach A Primer for Interpreting Preaching Texts 2016 **The Blessing** Luis Falcon, 2020-01-14 The Blessing Splendor of Our Father's Word is an inspirational daily read It is full of valuable life lessons on the importance of humility forgiveness and fellowship with others It provides reminders to avoid the many vices and attitudes that can keep us from leading a fulfilling joyful life The collection of personal reflections can inspire happiness and peace in all readers and bring them closer to God *Potiphar's Wife* Kieran Tapsell, 2014-03-01 English summary The cover up of child sexual abuse by the Catholic Church has been occurring under the pontificate of six popes since 1922 For 1500 years the Catholic Church accepted that clergy who sexually abused children deserved to be stripped of their status as priests and then imprisoned A series of papal and Council decrees from the twelfth century required such priests to be dismissed from the priesthood and then handed over to the civil authorities for further punishment That all changed in 1922 when Pope Pius XI issued his decree Crimen Sollicitationis that created a de facto privilege of clergy by imposing the secret of the Holy Office on all information obtained through the Church's canonical investigations If the State did not know about these crimes then there would be no State trials and the matter could be treated as a purely canonical crime to be dealt with in secret in the Church courts Pope Pius XII continued the decree Pope

John XXIII reissued it in 1962 Pope Paul VI in 1974 extended the reach of pontifical secrecy to the allegation itself Pope John Paul II confirmed the application of pontifical secrecy in 2001 and in 2010 Benedict XVI even extended it to allegations about priests sexually abusing intellectually disabled adults In 2010 Pope Benedict gave a dispensation to pontifical secrecy to allow reporting to the police where the local civil law required it that is just enough to keep bishops out of jail Most countries in the world do not have any such reporting laws for the vast majority of complaints about the sexual abuse of children Pontifical secrecy the cornerstone of the cover up continues The effect on the lives of children by the imposition of the Churchs Top Secret classification on clergy sex abuse allegations may not have been so bad if canon law had a decent disciplinary system to dismiss these priests The 1983 Code of Canon Law imposed a five year limitation period which virtually ensured there would be no canonical trials It required bishops to try to reform these priests before putting them on trial When they were on trial the priest could plead the Vatican Catch 22 defence he should not be dismissed because he couldnt control himself The Church claims that all of this has changed Very little has changed It has fiddled around the edges of pontifical secrecy and the disciplinary canons The Church has been moonwalking [The Experiment at Philadelphia](#) Kurt B.
