Stuck at Home Yasmin Y. Ortiga, 2025-05-27 The Philippines is among the most successful migrant-sending nations in the world, both lauded and critiqued for exporting its own citizens to a global labor market. Yasmin Y. Ortiga brings readers beyond this popular image to explore questions often overlooked: What happens when workers who were encouraged to emigrate are suddenly unable to leave? *Stuck at Home* examines how the Philippine state and its aspiring migrants negotiated the meaning of immobility amid the COVID-19 pandemic. In this pioneering book, Ortiga studies the narratives that emerged around two groups of Filipino workers: nurses banned from leaving the country and cruise workers who returned home after COVID-19 shut down the travel industry. Ortiga emphasizes the high stakes in telling the right story of immobility to a nation built around emigration, one that provides a compelling rationale for who deserves to move and who can be forced to stay. A gripping account of political interests, frustrated dreams, and an unprecedented crisis, *Stuck at Home* reveals how migration governance is not only about regulating people's movement but also defining the meaning and implications of remaining in place. *Official Gazette (Republic of the Philippines)*.
