

Pixel Chix User Manual

JOSE C. STEWART

Pixel Chix User Manual:

Girl Culture Claudia Mitchell, Jacqueline Reid-Walsh, 2007-12-30 Never before has so much popular culture been produced about what it means to be a girl in today's society. From the first appearance of Nancy Drew in 1930 to Seventeen magazine in 1944 to the emergence of Bratz dolls in 2001, girl culture has been increasingly linked to popular culture and an escalating of commodities directed towards girls of all ages. Editors Claudia A. Mitchell and Jacqueline Reid Walsh investigate the increasingly complex relationships, struggles, obsessions, and idols of American tween and teen girls who are growing up faster today than ever before. From pre-school to high school and beyond, *Girl Culture* tackles numerous hot button issues including the recent barrage of advertising geared toward very young girls emphasizing sexuality and extreme thinness. Nothing is off limits: body image, peer pressure, cliques, gangs, and plastic surgery are among the over 250 in-depth entries highlighted. Comprehensive in its coverage of the twenty and twenty-first century trendsetters, fashion, literature, film, in-group rituals, and hot button issues that shape and are shaped by girl culture, this two-volume resource offers a wealth of information to help students, educators, and interested readers better understand the ongoing interplay between girls and mainstream culture.

Take This Stuff and Hack It! Dave Prochnow, 2006 This guide shows how 30 common household items can be hacked and tweaked into products totally different than what the manufacturer intended. Garage and basement tinkerers will get fully illustrated coverage of which products are hackable, how to hack them, and how to convert them into some unique fun stuff.

Babysitter Miriam Forman-Brunell, 2009-07-26 On Friday nights, many parents want to have a little fun together without the kids. But getting a sitter, especially a dependable one, rarely seems trouble-free. Will the kids be safe with that girl? It's a question that discomfited parents have been asking ever since the emergence of the modern American teenage girl nearly a century ago. In *Babysitter*, Miriam Forman-Brunell brings critical attention to the ubiquitous yet long-overlooked babysitter in the popular imagination and American history. Informed by her research on the history of

teenage girls culture Forman Brunell analyzes the babysitter who has embodied adults fundamental apprehensions about girls pursuit of autonomy and empowerment In fact the grievances go both ways as girls have been distressed by unsatisfactory working conditions In her quest to gain a fuller picture of this largely unexamined cultural phenomenon Forman Brunell analyzes a wealth of diverse sources such as The Baby sitter s Club book series horror movies like The Hand That Rocks the Cradle urban legends magazines newspapers television shows pornography and more Forman Brunell shows that beyond the mundane understandable apprehensions stirred by hiring a caretaker to mind the children in one s own home babysitters became lightning rods for society s larger fears about gender and generational change In the end experts efforts to tame teenage girls with training courses handbooks and other texts failed to prevent generations from turning their backs on babysitting

Articulating the Action Figure Jonathan Alexandratos,2017-03-31 Action figures are more than toys or collectibles they are statements on race gender class body positivity and more This collection of nine new essays and one interview argues that action figures should be analyzed in the same light as books movies television shows and other media Through an examination of the plastic bodies that fill our shelves and toy boxes Action Figure Studies can inform the next generation of toys
