offering validation strength and a call for deeper acknowledgment beyond surface level praise *The Devout Life* Roger Helland, 2017-10-06 The church in the Western world is largely faltering in its spiritual and missional vitality There s a crisis of piety or the devout life heartfelt devotion to Christ and his cause The Pietist movement of the seventeenth and eighteenth centuries grew into a revolutionary torrent of spiritual renewal that influenced the Moravians the Methodists the great awakenings and global evangelicalism as we know it today The Devout Life explores and expands on ten key features of Pietism to plunge the depths of spiritual renewal for today *Essays on the Real Church* Dirk J. Smit, 2024-08-15 The spirit of the Reformation is often expressed in the well known slogan that Reformed churches are always being reformed according to God s Word *ecclesia reformata semper reformanda secundum verbum Dei* Over the last century the spirit of this slogan motivated someone like Dietrich Bonhoeffer to argue that the visible form and life of the church should reflect the truth and message of the church Already in his doctoral dissertation called *Sanctorum Communio* the communion of the saints the young Bonhoeffer combined theological claims and traditions with social theory and analysis in this spirit in an innovative way to study the nature and integrity and witness of the church At the time this was a radical claim with major consequences and challenges for Protestant churches Their life which meant their order structure actions statements convictions public presence and role was to be measured by their gospel which meant their message proclamation convictions claims They could no longer proclaim one truth yet live a different life It was this spirit which led to the well known Theological Declaration of Barmen in 1934 and to the formation of the Confessing Church in Nazi Germany Many called this a moment of truth a *status confessionis* It was this same spirit which later inspired the struggle in South Africa for the integrity and faithfulness of the church and for the credibility of its message proclamation and witness The contributions in this volume 52 papers essays sermons studies were all produced in this spirit Most of them have not been published before They were all occasional pieces written over several decades in different contexts and for different purposes and audiences yet they all breathe this self critical spirit of the Reformation considering whether the real church the concrete every day actual living church that people know and experience and perhaps belong to truly strives to embody the gospel itself the message which it claims and proclaims They all inquire under different circumstances and in diverse ways about different social forms of the real church from worship to congregation from denomination to ecumenical church from individual believers to movements and organisations whether and how they embody the truth of the church or not Together these contributions tell a story the story of this spirit in South African circles over several decades but also in the ecumenical church in our globalizing world They offer one small glimpse into different concrete moments in the story of this spirit in the life of this tradition and community of faith Hopefully some of these accounts may resonate with others who also shared the same spirit and still share it today in new and ongoing ways *The Rich Hiker's Guide to Walking with God* Paul Krautmann, 2007-06 The rich hiker s guide to walking with God We are all spiritual hikers on a journey towards the Kingdom of God And we are rich This

inspiring and informative guide starts by looking at the basic attitude and approach we are to have in our walk with God and goes on to answer such questions as where why and how we are to walk and takes a look at some of the various walking styles we may adopt at different stages of our lives It also examines a number of pitfalls and potholes we can fall into and provides some guidelines for spiritual foot care In this very readable and entertaining guide Paul Krautmann weaves in some of his own personal experiences and observations culled from his adventures as church pastor in South America and the Caribbean and his present work with World Vision in Australia Having travelled and survived the rocky road from cultish legalism to grace and truth in Jesus Christ Worldwide Church of God minister Paul Krautmann has learned much about walking with God Born in England he trained as a librarian then worked for two years in Guyana at the National Library as a Voluntary Service Overseas volunteer During that time through the ministry of Herbert W Armstrong Paul surrendered his life to God and in 1972 entered Ambassador College graduating in 1975 He returned to Guyana to work at the National Library and also to take care of the fledgling church there He served as full time pastor from 1978 to 1989 when he was transferred to the Caribbean to pastor churches in Grenada St Vincent St Lucia and Dominica In 1999 Paul and his Guyanese wife Unita moved to Perth Western Australia They have three children Emil Lorna and Paul
