Social Theory Roberta Garner,Black Hawk Hancock,2014-04-29 The organization of this popular social theory reader which pairs classical articles with contemporary theoretical and empirical studies highlights the historical flow of social theory and demonstrates how disagreements and confrontations shape theory over time Written in clear down to earth language the introductions to each selection link theorists to one another illustrating how theoretical traditions are not rigidly separate but are always in conversation addressing and challenging each other The third edition incorporates significant changes more readings reflecting a wide diversity of theorists a completely revamped chapter on gender new chapters on race and culture and unique material on the transitional giants who have helped to transform classical theory into contemporary theory As well new contextual and biographical materials surround each reading and each chapter includes a study guide with key terms and innovative discussion questions and classroom exercises The result is a fresh take on social theory that foregrounds a plurality of perspectives and reflects contemporary trends in the field while still managing to be a teachable and affordable text

Social Theory: Continuity and Confrontation Roberta Garner,Black Hawk Hancock,2014-04-29 The third edition of this popular reader reflects considerable changes With over seventy readings representing a wide diversity of theorists it offers a breadth of coverage not available in other collections The framework for understanding theory as a set of conversations over time is maintained and deepened with a focus on key transitional

theorists who helped pave the way from classical to contemporary theory New contextual and biographical materials surround the primary readings and each chapter includes a study guide with key terms discussion questions and innovative classroom exercises The result is a fresh and expansive take on social theory that foregrounds a plurality of perspectives and defines contemporary trends in the field while being both an accessible and manageable teaching tool **Praxis II**
