Your Highest Scores and Overall Passing Status

Below are your highest test scores from the past 10 years and the overall passing status (for any score recipients selected for your most recent tests). Passing status is based on the passing score in effect on the test date or on the date reported. Scores are not reported if test is not required by the score recipient. Score recipients reserve the right to accept the reporting of scores but not necessarily the Passed/Not Passed status. Passed/Not Passed information is not provided if more than one qualifying score is used for a test, if qualifying score is not available, or if test taken is not used by the score recipient.
