

Prayer of Thanksgiving and Intercession

All good gifts around us are sent from heaven above,
so we lift our hearts up to you, God,
in praise and thanksgiving.

As we count our blessings, and acknowledge your goodness,
our hearts go out to those who do not have,
and who are in need.

We thank you for plentiful harvests and full refrigerators
and ask that you supply the needs of those who are hungry.

We thank you for jobs that provide for our families
and supply the needs of our society,
and pray that you would care for those who have no work,
or the dignity and purpose it brings.

We thank you for opportunities and choices,
for meaning and challenges,
and pray that you would give a sense of purpose
to those who feel trapped.

We thank you for family and friends who love us and care for us
and pray that you would befriend those who are alone.

The abundance of the harvest
is a symbol of the abundance of your love in our lives.
May we live in a spirit of gratitude to you
and generosity to our neighbour.

Loving God, in this season and all year long,
give to us the gift of a thankful heart,
so that we may acknowledge you as the giver
of all that is good in our lives.
In the name of Jesus we ask it.
Amen.

Prayer Of Intercession And Thanksgiving:

Thanksgiving and Intercession Lisa Patterson, 2020 The question guiding the research was as follows What impact does a disciplined thoughtful practice of thanksgiving and intercessory prayer done over time have on the group practicing the discipline and how does it change the participants view of life or view of the ones for whom they pray What I attempted to measure in this project was the impact on the ones who were praying intentionally and systematically the liturgical prayer of thanksgiving and intercession The project focused on observing and participating in the practice of shaping the believer through a consistent structured ritual practice of the prayers of the people that takes its shape from the ordo of the ancient church which is still used today My hope for the project was to discover that praying deeply and broadly might open a small group of participants to the possibilities of difference and the opportunities to bridge the deep chasms existing between so many groups in the world The project was designed to employ the methodology Gordon Lathrop outlines in Holy Things A Liturgical Theology discern the pattern practice the pattern and renew the pattern which carries with it the hope for renewal of the ancient for a new day Hoping that the project would move people beyond just talking about prayer I designed it so that the group would participate in prayer reflect on the prayers and reflect on their experience of the juxtaposition of participating in the classic liturgical prayer in the assembly and its use in daily prayer producing critique and new meaning out of the old In this project the participants had the opportunity to explore prayers of thanksgiving and lament with Christ at the seam The first ministry action taken was a six week class offered during the season of Lent March 6 April 24 2019 This class was designed to provide instruction and practice for the participants on the classic liturgical prayer of thanksgiving and intercession used in the Christian tradition and grounded in the biblical text as witness to it The second ministry action also took place during Lent Participants were asked to pray daily intercessory prayers using the classic liturgical prayer of thanksgiving and intercession from Sunday s assembly The third ministry action was administering short questionnaires to gather the data needed to address research question fully All group members were then invited to participate in a final interview with me following the six week class Finally the recap meeting provided the opportunity to share with the co researchers the tallied responses from each of the questionnaires and the interviews The summary of the questionnaires interviews and final recap meeting pointed to the same result an intentional practice of praying thanksgiving and intercessory prayer using the classic liturgical model changed the participants view of life and their view of the ones for whom they prayed
