Praying With Paul A Call To Spiritual Reformation Gospel Coalition:

Praying with Paul D. A. Carson, 2015-01-13 God doesn't demand hectic church programs and frenetic schedules; he only wants his people to know him more intimately, says top-selling author D. A. Carson. The apostle Paul found that spiritual closeness in his own fellowship with the Father. By following Paul's example, we can do the same. This book calls believers to reject superficiality and revolutionize their lives by embracing a God-guided approach to prayer. Previously published as *A Call to Spiritual Reformation*, this book has now been updated to connect more effectively with contemporary readers. A study guide, DVD, and leader's kit for the book are available through Lifeway and The Gospel Coalition.

A Call to Spiritual Reformation D. A. Carson, 1992-06 Carson calls believers to revolt against superficiality and find again the deeper knowledge of God at Paul's school of prayer. Strong expositional study. *Praying with Paul* D. A. Carson, Brian J. Tabb, 2015 Exploring the prayers of Paul through the lens of the gospel, the apostle Paul found a spiritual closeness in his fellowship with the Father that is available to all of us. *Praying with Paul* leads group members into the Epistles to see what Paul taught in his school of prayer. In 8 sessions, group members will be exposed to priorities of prayer, a God-centered framework for prayer and practices for a more dynamic and more meaningful prayer life. Christians today can still achieve the confidence Paul enjoyed by following his life-shaping principles and searching for a deeper devotional experience. Back cover. *The Gospel and the Modern World* D. A. Carson, 2023-09-19 Thirty-three collected essays from D. A. Carson. Biblical scholar D. A. Carson has contributed a tremendous amount to the field of evangelical thought, serving as cofounder of the Gospel Coalition, editor of the theological journal *Themelios*, and beginning in 2022 as president of the Evangelical Theological Society. Reflecting on his esteemed career, Carson's colleagues have gathered some of his best work in this warm, enriching collection. *The Gospel and the Modern World* features 33 of Carson's essays from *Themelios* on a wide range of topics, including his vision for the evangelical church, the authoritative word of God, Christ and culture, and Christian discipleship. It also includes articles from editor Brian J. Tabb, Andrew David Naselli, and Collin Hansen. Celebrating an illustrious, Christ-exalting career, this collection imparts years of experience and Christian scholarship to a new generation of readers. A celebration of the work of D. A. Carson marks Carson's 2022 presidency of the Evangelical Theological Society and the 50th anniversary of *Themelios*. Informative. A valuable resource for pastors, seminary students, missionaries, and thoughtful Christians.

Theologically Robust Articles Includes 33 essays previously published in *Themelios*, the journal that Carson led as general editor from 2008 to 2018. Copublished by Crossway US and IVP, Apollos UK, and International. **Behold and Become** Jeremy M. Kimble, 2023-06-20 The Bible is not merely for information but for being saved by God and changed through his words. Believers know the Bible is powerful, but how so? And how does God save people and transform lives through Scripture? Author and theology professor Jeremy M. Kimble integrates an evangelical doctrine of Scripture with a robust, coherent practice of engaging with Scripture. *Behold and Become* contends that the Bible, which is God's self-revelation coupled with

the Spirit works to produce salvation and growth in godliness Believers will see how sound beliefs about Scripture correspond with practices that allow for God's transforming work such as How the Bible's inerrancy demands our careful attention to the biblical authors as theologians How the Bible's efficacy operates within the doctrines of the triune God and the church How the Bible's authority directs our focus toward who God is and how he acts in the world We become like what we behold Rather than passively assume the animating power of the Bible Behold and Become guides readers to make Scripture's vitality an overt part of their theology of Scripture and practice of Christian life *Praying Personalities* Janet Holm McHenry, 2024-02-13 Discover the particular way God designed you to connect with Him through prayer You should pray in the morning You should write out your prayers You should make prayer lists and pray through them every day You should pray with others or out loud We've all heard the you shoulds of prayer from pulpits presenters and well meaning friends But when none of these ways to pray feel natural what's next Janet Holm McHenry has studied prayer extensively and the one thing she knows for sure is that there's no one size fits all way to pray Instead there are different styles of prayer and by discovering the style most instinctive to each individual personality staying in touch with God throughout the day becomes simple and all the more joyful In this book the author helps readers determine their particular praying personality by examining the praying styles of biblical people spiritual gifts and various ideas about personality including the classic temperaments the Enneagram and more McHenry includes scores of bulleted suggestions for developing a praying lifestyle that works for individuals She has also created a Praying Personality Quiz for readers available in the book and online to help narrow down the style that will most naturally fit into how they process a prayer life Whether a longtime Christian who has tried various prayer strategies but can't keep up or a new believer looking to learn about this spiritual discipline every reader who dives into this book will come away with a renewed prayer life and a greater understanding of who God created them to be *Expository Preparation* Benjamin G. Campbell, 2021-09-30 For those in local church ministry it is often a pressing matter to find the time to take care of their own souls More often than not pastors tend to prioritize sermon preparation and delivery as their primary tasks when actually their first task should be their own spiritual health It is for this purpose that this book is written to encourage pastors to soul care before sermon preparation If pastors will prepare their own hearts the sermon will fall in line and permeate the hearts of the listeners **Deeper Prayer** Gary P. Rohrmayer, 2025-10-06 The life of the Apostle Paul stands as one of the most remarkable testimonies of transformation in the Bible His journey from persecutor of the church to one of its biggest defenders is a powerful illustration of the transformative power of God's grace Paul's life was filled with trials triumphs and profound spiritual insight offering Christians a wonderful example of what it means to live fully surrendered to Christ This devotional *Deeper Prayer A Chronological Journey through the Depths of Paul's Prayers That Will Deepen Your Prayer Life* serves as a twenty eight day prayer guide that allows you to walk alongside Paul as he travels through his missionary journeys encouraging the churches and communities he served It explores the courage wisdom and

insight that propelled the early church's expansion and shares how you can unleash the same transformative power in your life through the truths revealed in these prayers. Author Gary Rohrmayer offers a path to spiritual growth and a deeper understanding of the immense power of prayer. This captivating exploration of Paul's prayers and their enduring impact gives valuable insights and will help you access the same spiritual authority that fueled Paul's ministry. Deeper Prayer provides a pathway for your spiritual growth and a profound appreciation for the effectiveness of a rich and deeper prayer life.

Longing for Home J. Stephen Yuille, 2015-07-01 As Christians we're on a journey fraught with joys and sorrows, pleasant valleys and perilous mountains, encouraging gains and crippling losses. Whenever we feel besieged on our journey, we tend to turn to whatever we think can help us, and in doing so, often lose sight of our destination. In *Longing for Home*, Stephen Yuille directs our attention to the help God has given us in the Psalms of Ascent. In this collection of Psalms 120-134, we walk with our brothers and sisters through life's many ups and downs on our way to Zion, the city of God. The Psalms guide us into the path of God, glorifying desires, God magnifying emotions, and God honoring thoughts. They shape our perspectives, equip us to pray in faith, regulate our feelings, inform our judgments, and beckon us to fix our eyes heavenward as we journey homeward.

Radical Gratitude PETER MAIDEN, 2020-07-16 As Christians, we should be the most grateful people alive. After all, doesn't the Bible encourage thankfulness and condemn grumbling? Peter Maiden traces the theme of thanksgiving in Scripture and shows how we can genuinely live counter-cultural lives even in an age of rampant entitlement. With a pastoral heart, he explains how gratitude is the key to joyful, consistent Christian living, discipleship, and mission involvement. He focuses on how we can develop the habit of thanksgiving, the benefits of gratitude, how we can be grateful even in hard times. Each chapter unpacks biblical truth and grounds it with practical application and personal illustrations. A series of short Bible study questions and reflections mostly on the Psalms conclude the chapters. As he was writing this book poignantly and to his great shock, the author learned that he was suffering from incurable cancer. Far from derailing his message, this unwelcome news energized his efforts as he poured out his vision on the page with his now limited resources. This is authenticity at its best. This book will be the author's last.

Doctrine and Experience Christopher Charles Zito, 2016-06-30 Should evangelical spirituality be grounded in doctrine, experience, neither, or both? If in one, which and why not the other? If in both, how might the two co-exist without cancelling out each other's distinctives? If in neither, then what practical value does either have for the Christian life? In this book, the author has combined critical research, pastoral awareness, and thoughtful reflection to show how the radicalizations of doctrine and experience have not only polarized contemporary evangelicalism into two nearly irreconcilable camps but also has opened the door for a subtle but potent form of idolatry to creep into our midst. In an attempt to purge these idols and bridge the gap, this book contextualizes the biblical teachings and practices of our original spiritual instructors, asking the double-edged question of what it means for us today that the Word of God is normative and that the Spirit is Lord. The author concludes that evangelicals should seek an incarnate, cross-centered spirituality that is

informed by meticulous attention and obedience to sound doctrine but only as it is lived out in a deeply felt faith that is made perfect as we experience God daily in any number of ways *Essentially One* JONATHAN LAMB,2020-06-18 Across the barriers of race class culture and denomination Christians are united through the transforming power of the gospel of grace Yet instead of walls dismantled and alienations healed churches are often characterised by ugly division narrow tribalism and painful fragmentation In a world characterised by growing social division hostile identity politics and polarised cyber tribes all compounded by shrill voices on social media the author unfolds the profound biblical vision of true unity founded on the redemptive purposes of God to create a single new humanity This book provides crucial help for handling differences and overcoming division calling for attitudes and behaviour that portray Christ like character and reflect true Christian community Applying key biblical texts it addresses practical issues of handling conflict managing change using words wisely avoiding tribalism strengthening partnerships and building counter cultural community in the local church Urging us to make every effort to promote godly unity this is a thoughtful yet passionate call to remember that we are essentially one for the sake of God s honour and the credibility of our Christian witness in a fractured world **From Cloisters to Cubicles** David Srygley,2015-02-06 Many have tried many have failed Spiritual disciplines meant to strengthen and encourage Christian living have become a source of frustration and disillusionment for many Christians Many of the books available are steeped in mysticism monasticism and non biblical language It doesnt take long for a Christian to begin thinking spiritual disciplines are so heavenly focused that they are no earthly good From Cloisters to Cubicles redefines spirituality spiritual disciplines and Christian maturity in such a way that any Christian can understand practice and grow through the practice of spiritual disciplines Instead of spiritual disciplines being focused on strengthening just the spiritual dimension of life they become exercises that strengthen ones everyday walk with God in this world To accomplish this goal spiritual disciplines must be understood as exercises in the reintegration of faith and life They should help Christians appraise all things as spiritual beings 1 Cor 2 15 and take every thought captive to the obedience of Christ 2 Cor 10 5 From Cloisters to Cubicles helps Christians bring the strength and guidance of the Holy Spirit back into their daily lives Christians can live in this world with all the power and wisdom meant for them as citizens of the kingdom of God Christians really can have the kingdom life now If you are a beginner it will give you a place to start If you have already progressed from milk to meat it will provide a map for spiritual growth that can keep you absorbed for a lifetime Joe Barnett *The Influence of Early Keswick Theology of Sanctification in the Socio-ethical Life of the East African Revival Movement* Robinson Kariuki Mwangi,2025-03-31 Sanctification is an essential part of every Christian life But how do its differing theologies shape our Christian walk and wider socio ethic contexts Grounded in the East Africa Revival Movement EARM this work seeks to answer how the Keswick theology of sanctification contributes to the socio ethical understanding of walking in the light and consequently influences the mission of the Anglican Church in the Mount Kenya region Dr Robinson Kariuki Mwangi uses careful exegetical analysis
