Have a Little Faith in Me Brad Vance, 2016-06-05. When Rocky met Dex, it was hate at first sight. Country superstar Dex Dexter represented everything that budding rock star Rocky McCoy had left behind him in the Deep South: the religion, the homophobia, the hypocrisy, the lies. And Rocky represented everything that Dex had denied, had turned away from, had refused. When Rocky met Dex, it was love at first touch. Double-booked in the same slot on the main stage at CrossFest, they fought for the microphone like two dogs fighting over a bone. And when their hands met, Rocky has had enough. No more falling for straight guys. No way. No matter how hot. Especially if the straight guy looks to me like a major closet case. Dex has had enough. No way. I can't be gay. I can't lose my family, my friends, my career. I can't. What they've had enough of doesn't matter. It's what they've never had enough of that will bring them together.

Why is it that for some people a moment is enough to realise that they have met the right person, while for others it takes years to realise that they are with someone who is a complete stranger? Our experience teaches us: our feelings take care of us, and our heart never fails us. We just need to listen to it.
