John: Chapters 1-6 Ernst Haenchen, 1984 Contains a number of valuable insights The introductory material on Johannine criticism is some of the clearest exposition for students available anywhere Postcolonial Preaching HyeRan Kim-Cragg, 2021-02-11 In *Postcolonial Preaching* HyeRan Kim Cragg argues that preaching is the act of dropping the stone of the Gospel into a lake making waves to move hearts and transform the world wounded by colonial violence The ripple effect serves as a metaphor and acronym to guide to preaching that takes postcolonial concerns seriously Rehearsal Imagination Place Pattern Language and Exegesis RIPPLE Kim Cragg explains each ripple in this approach and exercise of creating and delivering sermons The author delivers fresh insights while drawing on some traditional homiletical perspectives in the service of a homiletic that takes the reality of racism migration and environmental degradation seriously Moreover Kim Cragg demonstrates the postcolonial sermon in action by including annotated homilies This book contributes to the very first wave of the application of postcolonial scholarship in preaching Given the continuing extent and influence of colonial worldviews and legacies this approach should become a staple in preaching over the next generation The Halakhah, Volume 1 Part 3 Jacob Neusner, 2021-11-22 The Halakhah embodies the complete Jewish Law and contains commandments and guidelines for day to day living The original commandments given by God to the Jewish people were enhanced by rabbis to offer a detailed framework to guide the lives of all Jews In this complete all encompassing encyclopaedia of the Halakhah the various laws are classified in such a way that a systematic and coherent structure is obtained Each entry of the Halakhah is presented in a logical fashion Where applicable the original biblical wording is given extended with literal abstracts from the Torah Next problems and questions that may arise from that law are stated and any additional information given Finally each entry gives comprehensive explanations and recommendations as to how these laws are to be observed in daily life where to be and where not to be what to do and what not to do what to say and what not to say The Halakhah or standard Jewish Law combines the Mishnah about 200 CE the Tosefta about 300 CE and the two Talmuds about 400-600 CE for the Land of Israel and Babylon respectively Volumes I and II contain entries pertaining to the Jewish people in relationship to

God Volume III explains how the Jewish people can restore and maintain their society in accordance with the Torah as it is explained by the rabbis In Volumes IV and V of this study we take up the life of the Jewish household in their encounter with God The Encyclopaedic account therefore moves from regulating relationships between Israel and God to establishing stable and equitable relationships among Israelites and finally to actually living the Halakhah **Bible Stories & Crafts for Holidays and Seasons** Mary Tucker,2005 Living Word™ 2020-2021 Various Authors including Julie Dienno-Demarest and Aires Patulot,2020-02-04 The Living Word helps youth ministers parish catechists and high school religion teachers to meet teens where they are and guide them to a deeper understanding of the Gospel's role in their lives This model of liturgical catechesis through Lectionary readings enhances the liturgical preparation liturgical participation and liturgical living of teens Lentwise Paula Gooder,2014-04-24 As we journey through life we face challenges both big and small What spiritual essentials will help us survive life's storms Lentwise uses fresh insights from John's Gospel to help us deal with the rigors of real life Performing Israel's Faith Jacob Neusner,2005 If law alone yields legalism then religious belief by itself fails to create justice In *Performing Israel's Faith* Jacob Neusner shows how Jewish Halakhah law and Aggadah narrative fit together to form a robust and coherent covenant theology one directly concerned about this world Neusner's careful and thorough examination of several key issues within rabbinic Judaism the nation's idolatry sin repentance and atonement demonstrates that neither Halakhah nor Aggadah can be fully and rightly understood when the two are isolated from each other *Performing Israel's Faith* thus effectively reveals that rabbinic Judaism's true pattern of religion was constituted by a covenant theology comprised by both law and story a covenant theology whose aim was to restore the sanctification of God's original creation God's Gals Lynn F. Langford,2013-08 Inspired by the stories of the Samaritan woman Queen Esther Martha and Dorcas God's Gals is clearly written and beautifully illustrated to teach young girls valuable lessons of forgiveness courage serving and sharing After story time reinforce these lessons with hands on activities any girl would enjoy make a water well crayon holder a crown for a queen and a cooking apron Involve family and friends and start a clothes closet for those in need *A History of the Mishnaic Law of Damages, Part Four* Jacob Neusner,2023-11-27 The history of Jews from the period of the Second Temple to the rise of Islam The social teaching of Rabbinic Judaism Jacob Neusner,2001 **The National Union Catalog**,1957 Constitutes the quinquennial cumulation of the National union catalog Motion pictures and filmstrips **Woman's Evangelical Commentary: New Testament** Dorothy Kelley Patterson,Rhonda Harrington Kelley,2006-06 Written by women for women this New Testament commentary adheres to the complementarian view of the relationship between men and women helping readers see God's marvelous design and plan for all *The Social Teachings of Rabbinic Judaism (3 vols)* Jacob Neusner,2021-10-11 The systematic and orderly presentation of the Halakhah normative law of Rabbinic Judaism in its formative age makes its principal statements in response to a program of social reconstruction it speaks through the details of norms of law about the community Israel Rabbinic Halakhah

lays out a social philosophy of an coherent and encompassing character Part 1 Corporate Israel and the Individual Israelite In the first part of the project on Corporate Israel and the Individual Israelite we ask where and how the Halakhah sorts out the relationships of the individual and the community the realm of responsible action and particular responsibility assigned by the Halakhah to each Prophecy from Moses forward and the Halakhah from the Mishnah onward concur that the condition of all Israel dictates the standing of each individual within Israel and further concur that each Israelite bears responsibility for what he or she as a matter of deliberation and intention chooses to do If individuals were conceived as automatons always subordinated agencies of the community or if the community were contemplated as merely the sum total of individual participants a particular social teaching would hardly demand attention But Scripture continued in the Mishnah Tosefta the two Talmuds and Midrash insists that Israelites are individual responsible for what they do and further that corporate Israel on its own not only as the sum of individual actions forms a moral entity subject to judgment So these are the governing questions How to sort out these intersecting matters then the obligations of the community the responsibilities of individuals How does the social teaching of Rabbinic Judaism hold together doctrines of individual obligations to Heaven and mutual responsibilities on the one side with all Israel's commitments and public convictions on the other Part 2 Between Israelites Part 2 turns to relationships between Israelites with particular attention to those that require resolving conflict Once the law recognizes not only Israelites but the integrity of corporate Israel how does it regulate relationships within the framework of that corporate community By regulating relationships the sages will have understood relationships of competition contention and conflict Those of collaboration consensus and cooperation require no regulation on the part of constitutive law they regulate themselves by their nature people keep rules Then at issue are where the corporate community intervenes to protect its interests in relationships between and among individual Israelites and how it does so The exposition then follows the laws presentation of those relationships as integral to the larger system of Rabbinic Judaism and its plan for its Israel's public life hence once more the focus on large constructions category formations that are integral to the main beams of the Halakhic system and structure Part 3 God's Presence in Israel Part 3 raises the third and final question of the social order God's role in society For Rabbinic Judaism to be Israel means to live in God's kingdom under God's rule in a very particular way That imperative addresses not individuals alone or mainly but rather corporate Israel that is the entire social order It encompasses not merely feelings or attitudes but registers in the here of tangible transactions and in the now of workaday engagements not only in some distant time The generative question of this third and concluding part of the study of the social t

A History of the Mishnaic Law of Damages, Part 4 Jacob Neusner, 2007-04-01 The history of Jews from the period of the Second Temple to the rise of Islam From A History of the Mishnaic Law of Appointed Times Part 1 This volume introduces the sources of Judaism in late antiquity to scholars in adjacent fields such as the study of the Old and New Testaments Ancient History the ancient Near East and the history of religion In two volumes leading American Israeli and European

specialists in the history literature theology and archaeology of Judaism offer factual answers to the two questions that the study of any religion in ancient times must raise The first is what are the sources written and in material culture that inform us about that religion The second is how have we to understand those sources in reconstructing the history of various Judaic systems in antiquity The chapters set forth in simple statements intelligible to non specialists the facts which the sources provide Because of the nature of the subject and acute interest in it the specialists also raise some questions particular to the study of Judaism dealing with its historical relationship with nascent Christianity in New Testament times The work forms the starting point for the study of all the principal questions concerning Judaism in late antiquity and sets forth the most current critical results of scholarship

The Life and Times of Arthur Hildersham Lesley A. Rowe, 2019-06-15 Arthur Hildersham is to a large extent a forgotten Puritan Since Samuel Clarke compiled a thirteen page account of his life in the seventeenth century there has been no biography of Hildersham But during his lifetime Hildersham was one of the most revered and prominent Puritan figures His story combined with a study of his printed works is rewarding in a number of ways Hildersham is a guide who can help us better understand the rapidly changing and often confusing religious scene of the later Elizabethan and early Stuart period He faced challenges and big questions that are still relevant Although we may not agree with all of Hildersham's conclusions his way of thinking through issues according to biblical principles is instructive There is often a temptation to spiritualize heroes of the past by concentrating solely on their preaching The exclusion of their ordinary lives mundane domestic routines and business affairs can sometimes leave us feeling inadequate and guilty by comparison This study of Hildersham will attempt to redress that imbalance by painting a well rounded portrait of a man who lived for his Master not only in the pulpit but also in daily life in secular activities in friendships and in trials from the preface by Lesley A Rowe Table of Contents Preface Why Bother with Arthur Hildersham Beginnings 1563 1576 University Life 1576 1587 Lecturer at Ashby de la Zouch 1587 1593 At Home in Ashby Vicar of Ashby 1593 1605 Hildersham's Message Hildersham and the Church of England Suspensions and Sufferings 1588 1605 The Interrupted Years 1606 1614 The Silent Years 1613 1625 The Evil Day 1615 1625 The Final Years 1625 1632 Hildersham's Legacy Epilogue Ten Lessons from Hildersham for Us Today Appendix Epitaph on Mr Hildersham 1632 by Thomas Pestell Hildersham Who's Who A Guide to People in the Book

Little Theologians David M. Csinos, 2020-11-18 Children don't just learn theology They actively create it playing with ideas and drawing together aspects of their own lives to form theological understanding In Little Theologians David Csinos offers a groundbreaking exploration of how cultural contexts intersect with the theological meaning making of children The qualitative research that Csinos undertook opened windows onto the religious and spiritual lives of children within four culturally distinct congregations of the United Church of Canada He began by inviting the children to draw pictures of God and encouraging them to describe what they had drawn Their answers led to revealing exchanges about who God is how children understand spiritual experiences what it means to believe and what it means that

people may believe differently This innovative study offers an in depth look at each congregation and how children make theological meaning in ways that reflect the broader culture around them as well as ways that are all their own By illuminating the diverse theological understanding of children Csinos highlights characteristics that are shared among children and those that are unique to each child Providing a radical twist of perspective Little Theologians looks to the theological insights and experiences of children to provide a lens for critiquing broader discourses surrounding cultural diversity and spirituality
