Guillen, 2011-01-11 Cats are known to be very independent animals They are considered very private creatures They do not crave for continuous attention from their owners They can be left on their own for long periods of time and still remain happy They make ideal companions for those

who have a very busy lifestyle and for those who do not wish for the regular upkeep of a high maintenance pet No matter how it likes to be alone most times though the cat is truly a very sensitive pet It can sense its owner s feelings and moods It can easily read its owner s personality and adapt itself to its owner s lifestyle Cats can be unfaithful pets in the sense that if it doesn t like its owner it can leave the owner s home and find a new home on its own if it is no longer happy in its present environment But if the cat likes its owner and is satisfied with the care it gets they can be very loyal very affectionate and very devoted life long companions Some cat owners say that as long as a cat is house trained properly and is fed its food at the proper time and does not go hungry it generally will keep to its own and mind its own business in its own space or area in the house However this does not mean that although a cat is low care that it does not require any care at all It will still depend on you for food for grooming for exercise for when it is sick and needs vet care and of course from time to time for that requisite TLC which every creature needs Caring for a cat can still take a bit of work As a pet cat owner you will need to fully understand your cat s needs so you can give it the best possible care This book will help you do just that **Cat Care** Beverly Hill,2018-10-28 CAT CARE BEGINNERS GUIDE TO KITTEN CARE AND TRAINING TIPSToday only get this Amazon bestseller for just 2 99 Regularly priced at 4 99 Read on your PC Mac smart phone tablet or Kindle device You **Cornish Rex Kitten & Cat Care and Guide Book** Nancy Willows,2012-11-20 You can have lots of fun learning and understanding about your Cornish Rex kitten and cat with this fun book to read You can learn why your cat does some of the crazy little things they do and why they do it You will learn what is the best type of cat food to feed your cat is and learn how to make sure your cat is eating the proper amount of food each day You will learn how to trim your cat s nails and even how to potty train your cat Learn how to make some toys your cat will just love Learn about the different types of worms your cat can get and learn what foods not to let your cat eat Learn how to have more fun with your cat and learn how to make sure they have a long and healthy life **The Ultimate Cat Care Guide: Expert Tips for Happy and Healthy Cats** Samantha D.
