Northanger Abbey(Annotated Edition) Jane Austen, 2021-12-18 A new edition of Jane Austen's Northanger Abbey originally published posthumously in 1818 Northanger Abbey is the story of seventeen year old Catherine Morland one of ten children of a country clergyman whose wild imagination and excessive fondness for Gothic novels especially Ann Radcliffe's *Mysteries of Udolpho* has skewed her worldview and interactions with others to great comic effect Fundamentally a parody of the Gothic fiction that was so popular in Austen's formative years Northanger Abbey is a uniquely significant work in that it shows Austen's departure from those conventions and tropes featuring three dimensional heroines who were not perfect people but flawed rounded characters who behaved naturally and not just as the novel's plot demanded

Northanger Abbey the Annotated Edition Jane Austen, 2020-02-08 Northanger Abbey was the first of Jane Austen's novels to be completed for publication in 1803 However it was not published until after her death in 1817 along with another novel of hers *Persuasion* Northanger Abbey is a satire of Gothic novels which were quite popular at the time in 1798-99 This coming of age story revolves around Catherine Morland a young and naive heroine who entertains the reader on her journey to a better

understanding of the world and those around her In the course of the novel she discovers that she differs from those other women who crave wealth or social acceptance as instead she wishes only to have happiness supported by genuine morality During an eventful season at Bath young naïve Catherine Morland experiences the joys of fashionable society for the first time She is delighted with her new acquaintances flirtatious Isabella who shares Catherine's love of Gothic romance and horror and sophisticated Henry and Eleanor Tilney who invite her to their father's mysterious house Northanger Abbey There her imagination influenced by novels of sensation and intrigue Catherine imagines terrible crimes committed by General Tilney With its broad comedy and irrepressible heroine this is the most youthful and optimistic of Jane Austen's works

Northanger Abbey (ILLUSTRATED) Jane Austen, 2021-04-29 Northanger Abbey is a coming of age novel and a satire of Gothic novels written by Jane Austen It was completed in 1803 the first of Austen's novels completed in full but was published posthumously in 1817 with Persuasion

Northanger Abbey (Illustrated and Annotated) Jane Austen, 2017-11-26 This is an annotated and illustrated version of the book 1 contains an updated biography of the author at the end of the book for a better understanding of the text 2 It also contains new and unique illustrations to give a better documentation and realism to the book 3 This book has been checked and corrected for spelling errors No one who had ever seen Catherine Morland in her infancy would have supposed her born to be an heroine Her situation in life the character of her father and mother her own person and disposition were all equally against her Her father was a clergyman without being neglected or poor and a very respectable man though his name was Richard and he had never been handsome He had a considerable independence besides two good livings and he was not in the least addicted to locking up his daughters Her mother was a woman of useful plain sense with a good temper and what is more remarkable with a good constitution She had three sons before Catherine was born and instead of dying in bringing the latter into the world as anybody might expect she still lived on lived to have six children more to see them growing up around her and to enjoy excellent health herself A family of ten children will be always called a fine family where there are heads and arms and legs enough for the number but the Morlands had little other right to the word for they were in general very plain and Catherine for many years of her life as plain as any She had a thin awkward figure a sallow skin without colour dark lank hair and strong features so much for her person and not less unpropitious for heroism seemed her mind She was fond of all boy's plays and greatly preferred cricket not merely to dolls but to the more heroic enjoyments of infancy nursing a dormouse feeding a canary bird or watering a rose bush Indeed she had no taste for a garden and if she gathered flowers at all it was chiefly for the pleasure of mischief at least so it was conjectured from her always preferring those which she was forbidden to take Such were her propensities her abilities were quite as extraordinary She never could learn or understand anything before she was taught and sometimes not even then for she was often inattentive and occasionally stupid Her mother was three months in teaching her only to repeat the Beggar's Petition and after all her next sister Sally could say it better than she did Not that Catherine was always stupid

by no means she learnt the fable of The Hare and Many Friends as quickly as any girl in England Her mother wished her to learn music and Catherine was sure she should like it for she was very fond of tinkling the keys of the old forlorn spinnet so at eight years old she began She learnt a year and could not bear it and Mrs Morland who did not insist on her daughters being accomplished in spite of incapacity or distaste allowed her to leave off The day which dismissed the music master was one of the happiest of Catherine's life Her taste for drawing was not superior though whenever she could obtain the outside of a letter from her mother or seize upon any other odd piece of paper she did what she could in that way by drawing houses and trees hens and chickens all very much like one another Writing and accounts she was taught by her father French by her mother her proficiency in either was not remarkable and she shirked her lessons in both whenever she could What a strange unaccountable character for with all these symptoms of profligacy at ten years old she had neither a bad heart nor a bad temper was seldom stubborn scarcely ever quarrelsome and very kind to the little ones with few interruptions of tyranny she was moreover noisy and wild hated confinement and cleanliness and loved nothing so well in the world as rolling down the green slope at the back of the house

Northanger Abbey (Annotated) Jane Austen, 2014-06-05 Northanger Abbey was the first of Jane Austen's novels to be completed for publication though she had previously made a start on Sense and Sensibility and Pride and Prejudice She also becomes friends with Eleanor Tilney Henry's younger sister Henry captivates her with his view on novels and his knowledge of history and the world General Tilney Henry and Eleanor's father invites Catherine to visit their estate Northanger Abbey which from her reading of Ann Radcliffe's Gothic novel The Mysteries of Udolpho she expects to be dark ancient and full of Gothic horrors and fantastical mystery
