Notes Of Geography P2:

Let Geography Die Alison Mountz, Kira Williams, 2025-07-29 An investigative history of the closure of Harvard University's geography program in the mid twentieth century due to homophobia and wider institutional politics **Let Geography Die** tells the little known and oft misunderstood story of geographical research and education at Harvard University In investigative fashion Alison Mountz and Kira Williams unearth the personal and institutional secrets that drove the sudden closure of Harvard's geography program at the precise moment that it reached its apex At the heart of this narrative are the hidden personal lives of the queer men recruited to build the geography program the same ones who were later blamed for its demise Chief among these figures is Derwent Whittlesey who eventually became Harvard's last lone geography professor once the program he had so successfully built was closed around him The book weaves together several histories at once the enactment of homophobic policies under McCarthyism designed to purge queer people from university campuses and government offices a university president with little regard for the social sciences on a personal mission to dissolve geographic education fierce if failed university politicking to rescue and then resuscitate the program personal queer lives hidden in plain sight on the edge of campus and two contemporary queer political geographers on a mission to memorialize the queer people blamed for society's ills **Let Geography Die** exposes the truth behind this important story as well as its wider haunting of an entire discipline 75 years later while also restoring the humanity of the central characters involved especially Derwent Whittlesey Catalogue of the New York Free Circulating Library, George Bruce Branch New York Free Circulating Library. George Bruce Branch, 1897 The Geographical Journal, 1912 Includes the Proceedings of the Royal Geographical Society formerly published separately **Paper - National Museum of Man, Ethnology Division**, 1974 Includes abstract in French **A Companion to Feminist Geography** Lise Nelson, Joni Seager, 2025-07-28 A Companion to Feminist Geography captures the breadth and diversity of this vibrant and substantive field Shows how feminist geography has changed the landscape of geographical inquiry and knowledge since the 1970s Explores the diverse literatures that comprise feminist geography today Showcases cutting edge research by feminist geographers Charts emerging areas of scholarship such as the body and the nation Contributions from 50 leading international scholars in the field Each chapter can be read for its own distinctive contribution **Catalogue of the General Library of the University of Aberdeen ...: General library** University of Aberdeen. Library, 1874 *The History of Herodots ; A New English Version, Edited with Copious Notes and Appendices ...* by George Rawlinson, Assisted by Col. Sir Henry Rawlinson, K.C.B., and Sir J. G. Wilkinson Herodotus, 1858 Geographical Teacher, 1914 Includes section Reviews and other bibliographical material **Supplement to the Catalogue of the General Library of the University of Aberdeen** University of Aberdeen. British Education Index ,1992

Psychogeography Merlin Coverley,2010-10-01 The term psychogeography is used to illustrate a bewildering array of ideas from ley lines and the occult to urban walking and political radicalism where does it come from and what exactly does it mean Psychogeography is the point where psychology and geography meet in assessing the emotional and behavioral impact of urban space The relationship between a city and its inhabitants is measured firstly through an imaginative and literary response secondly on foot through walking the city This creates a tradition of the writer as walker and has both a literary and a political component This guide examines the origins of psychogeography in the Situationist Movement of the 1950s exploring the theoretical background and its political applications as well as the work of early practitioners such as Guy Debord and Raoul Vaneigem Elsewhere psychogeographic ideas continue to find retrospective validation in much earlier traditions from the visionary writing of William Blake and Thomas De Quincey to the rise of the fl neur on the streets of 19th century Paris and on through the avant garde experimentation of the Surrealists These precursors are discussed here alongside their modern counterparts for today these ideas hold greater currency than ever through the popularity of writers and filmmakers such as Iain Sinclair and Peter Ackroyd Stewart Home and Patrick Keiller This guide offers both an explanation and definition of the terms involved an analysis of the key figures and their work and practical information on psychogeographical groups and organizations
