2. Procedure

We have taken steps to improve our customer service by introducing a new customer service system, which allows us to respond more quickly to customer inquiries and complaints. We have also implemented a system for tracking customer feedback, which allows us to monitor customer satisfaction levels and take action to address any issues that may arise.

3. Conclusion

Overall, we are pleased with the results of our after-sales service and are confident that our customers are satisfied with the service they receive. We look forward to continuing to provide our customers with excellent service in the coming year.

4. Recommendation

- Offer a comprehensive warranty: Customers should be offered a comprehensive warranty that covers all parts and services related to the product. This should include coverage for defects in materials, workmanship, and any other issues related to the product.
- Offer a customer loyalty program: A customer loyalty program should be offered to reward customers for their repeat business. This could include discounts, rewards points, or other incentives.
