Listening Speaking Reading and Writing Grammar Section in each book offers simple and clear conceptual understanding

MATHEMATICS The Mathematical concepts have been dealt with in an interesting and comprehensive manner This way even an average child will have no difficulty in grasping the fundamentals The series follows a graded and spiral approach keeping in mind the age and level of understanding of the learner

ENVIRONMENTAL STUDIES NEP 2020 lays emphasis on promoting the spirit of analysis and questioning because it has been increasingly felt that children learn more through talking observing and discussing with others This approach has been adopted in EVS content

SCIENCE The content in this section emphasises meaningful learning of science for the overall development of learners It focuses on helping children understand their natural environment and correlate science with their everyday experiences in an interesting and comprehensive manner

SOCIAL STUDIES A totally new and innovative approach to teaching social studies has been adopted in this section The lessons enhance the learners life skills and equip them with a high civic sense and arm them with an ability to face the challenges in life with confidence and as responsible citizens

GENERAL KNOWLEDGE The main objective of the General Knowledge section is to create a sense of wonder in the learners and arouse in them a desire to learn and find out more about the world around them We look forward for feedback and constructive criticism from the students teachers and parents which will be given due consideration in the future reprints and editions of the books The Publisher Ebook
