Writing in the Social Studies Aaron Pribble, 2021-04-01 Writing in the Social Studies is a practical guide for educators. On each page are strategies, tips, and takeaways for teachers to implement in their classroom while every chapter concludes with helpful handouts to distribute directly to students. Beginning with a framework and pacing guide, Writing in the Social Studies examines foundational academic and real-world writing, concluding with a methodology for grading and a spirited plea for teachers to write themselves. Teachers who believe in teaching skills through content finally have a blueprint from which to work. Those who understand it is imperative students graduate with the ability to think critically and express a point of view now have a vehicle with which to achieve their goals. Writing in the Social Studies will be the first book to tackle this crucial yet neglected corner of the curriculum. There is a desperate need for professional development in this area and therefore also tremendous opportunity. It is a professional imperative that social studies educators teach a variety of writing skills through content. As a result, they should have access to a resource which clearly and engagingly shows them how. This is Writing in the Social Studies. **Designing and Using Rubrics for Reading and Language Arts, K-6** Joan F.

Groeber, 2007 A valuable resource for teachers who use authentic assessment to support student learning. Helpful for new teachers, teachers new to using authentic assessments, and experienced teachers looking for new ideas. Barbara A. Bradley, Assistant Professor of Teaching and Leadership, University of Kansas. An excellent resource for classroom teachers, assessment specialists, staff developers, and curriculum developers. The information is comprehensive, teacher-friendly, and easy to use, making the book a valuable tool in the classroom. Tracy Taylor Callard, English Language Arts Teacher, Wichita Collegiate School, Wichita, KS. Enhance literacy instruction using a proven assessment tool: rubrics. Rubrics are essential tools for providing effective instruction and assessing student achievement. Literacy consultant Joan Groeber provides educators with a teacher-friendly, step-by-step guide for creating and using rubrics to assess a wide range of literacy skills. Groeber's approach helps ensure that students gain a clear understanding of teacher expectations and assume a greater responsibility for their own learning. Offering an overview of rubrics as instructional tools with methods and strategies for developing them, the revised edition includes expanded guidelines for creating rubrics. More than 40 time-saving preconstructed model rubrics covering key literacy skills. Rubrics at both primary and intermediate grade levels. Strategies for introducing rubrics to students and suggestions for using the rubrics. New rubrics that reflect the expanding field of literacy education, including information literacy and technology use. Using this comprehensive resource, teachers can design rubrics to meet their specific classroom needs, giving students the opportunity to identify and achieve high levels of performance. **40 Rubrics & Checklists** Adele Fiderer, 1999 Help students achieve their best with expert forms of measuring reading and listening comprehension, story character analysis, personal experience essays, and more.
