sexual minorities Based on empirical and qualitative research methods chapters focus on the myriad issues of aging for lesbians and gay men including Social and Cultural Considerations about HIV Among Midlife and Older Gay Men Psychological Well Being in Midlife Older Gay Men Well Being Among Middle Aged and Older Single Gay Men Lesbian Friendships at and Beyond Midlife Contributors include Judith Barker Jacqueline Weinstock Bertram Cohler and Doug Kimmel among others **The Sexual Self** Michael S. Kimmel, 2007 Abstract Unbound Arlene Stein, 2018-06-05 An intimate portrait of a new generation of transmasculine individuals as they undergo gender transitions Award winning sociologist Arlene Stein takes us into the lives of four strangers who find themselves together in a sun drenched surgeon s office having traveled to Florida from across the United States in order to masculinize their chests Ben Lucas Parker and Nadia wish to feel more comfortable in their bodies three of them are also taking testosterone so that others recognize them as male Following them over the course of a year Stein shows how members of this young transgender generation along with other gender dissidents are refashioning their identities and challenging others conceptions of who they are During a time of conservative resurgence they do so despite great personal costs Transgender men comprise a large growing proportion of the trans population yet they remain largely invisible In this powerful timely and eye opening account Stein draws from dozens of interviews with transgender people and their friends and families as well as with activists and medical and psychological experts Unbound documents the varied ways younger trans men see themselves and how they are changing our understanding of what it means to be male and female in America **Boots of Leather, Slippers of Gold** Elizabeth Lapovsky Kennedy, Madeline D. Davis, 2014-05-09 Boots of Leather Slippers of Gold traces the evolution of the lesbian community in Buffalo New York from the mid 1930s up to the early 1960s Drawing upon the oral histories of 45 women it is the first comprehensive history of a working class lesbian community. These poignant and complex stories show how black and white working class lesbians although living under oppressive circumstances nevertheless became powerful agents of historical change Kennedy and Davis provide a unique insider s perspective on butch fem culture and argue that the roots of gay and lesbian liberation are found specifically in the determined resistance of working class lesbians This 20th anniversary edition republishes the book for a new generation of readers It includes a new preface in which the authors reflect on where the last 20 years have taken them For anyone interested in lesbian life during the 1940s and 1950s or in the dynamics of butch fem culture this study remains the one that set the highest standard for all oral histories and ethnographies of lesbian communities anywhere
