Films of James Bridges Peter Tonguette,2014-01-10 Originally arriving in Hollywood to pursue an acting career James Bridges went on to write and direct such popular films as The Paper Chase The China Syndrome and Urban Cowboy This book tells the story of his life and career helped by new interviews with friends and collaborators it also offers a detailed analysis of each of Bridges eight feature films including his lesser known cult classics September 30 1955 and Mike s Murder

Cinema '62 Stephen Farber,Michael McClellan,2020-03-13 Lawrence of Arabia The Miracle Worker To Kill a Mockingbird The Manchurian Candidate Gypsy Sweet Bird of Youth The Longest Day The Music Man What Ever Happened to Baby Jane and more Most conventional film histories dismiss the early 1960s as a pallid era a downtime between the heights of the classic studio system and the rise of New Hollywood directors like Scorsese and Altman in the 1970s It seemed to be a moment when the movie industry was floundering as the popularity of television caused a downturn in cinema attendance Cinema 62 challenges these assumptions by making the bold claim that 1962 was a peak year for film with a high standard of quality that has not been equaled since Stephen Farber and Michael McClellan show how 1962 saw great late period work by classic Hollywood directors like John Ford Howard Hawks and John Huston as well as stars like Bette Davis James Stewart Katharine Hepburn and Barbara Stanwyck Yet it was also a seminal year for talented young directors like Sidney Lumet Sam Peckinpah and Stanley Kubrick not to mention rising stars like Warren Beatty Jane Fonda Robert Redford Peter O Toole and Omar Sharif Above all 1962 the year of To Kill a Mockingbird and The Manchurian Candidate gave cinema attendees the kinds of adult artistic and uncompromising visions they would never see on television including classics from Fellini Bergman and Kurosawa Culminating in an analysis of the year s Best Picture winner and top grossing film Lawrence of Arabia and the factors that made that magnificent epic possible Cinema 62 makes a strong case that the movies peaked in the Kennedy era

Fantasy Femmes of Sixties Cinema Tom Lisanti,2015-05-20 Elvis Presley musicals beach romps biker flicks and alienated youth movies were some of the most popular types of drive in films during the sixties The actresses interviewed for this book including Celeste Yarnall Lana Wood Linda Harrison Pamela Tiffin Deanna Lund Diane McBain Judy Pace and Chris Noel all made their mark in these genres These fantastic femmes could be found either twisting on the shores of Malibu careening down the highway on a chopper being serenaded by Elvis or taking on the establishment as hip coeds As cult

figures they contributed greatly to that period of filmmaking aimed at the teenage audience who frequented the drive ins of America They frolicked screamed and danced their way into B movie history in such diverse films as Eve Teenage Millionaire The Girls on the Beach Dr Goldfoot and the Bikini Machine Three in the Attic Wild in the Streets and Paradise Hawaiian Style This book is a celebration of the actresses careers They have for the most part been overlooked in other publications documenting the history of film Fantasy Femmes addresses their film and television careers focusing on their view of the above genres their candid comments and anecdotes about their films the people they worked with and their feelings in general regarding their lives and the choices they made The book is well illuminated and contains a complete list of film and television credits

New York Times Movie Guide Introduction

In the digital age, access to information has become easier than ever before. The ability to download New York Times Movie Guide has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download New York Times Movie Guide has opened up a world of possibilities. Downloading New York Times Movie Guide provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading New York Times Movie Guide has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download New York Times Movie Guide. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading New York Times Movie Guide. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading New York Times Movie Guide, users should also consider the potential security risks associated with online

platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download New York Times Movie Guide has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
