## **New Plains Review Fall 2014:**

**New Plains Review** Various Authors, 2014-04-30 This Spring publication of the New Plains Review has been a combined effort of diverse talents by each of our hardworking student editors This issue integrates authors with various perspectives and voices from our culture today We have chosen distinctive entries for our Poetry Nonfiction and Fiction sections which highlight topics such as the natural state of life the emotion of rebellion and the controversial subject of infidelity A wonderful aspect of writing is the way in which it allows anyone to voice their unique experiences no matter how difficult comedic heartwarming or abstract they might be A perfect example of this colorful abstraction is our selected artwork by Dr Ernest Williamson III We keep our writers and audience in mind as we select our stories and edit them We hope to embolden our readers to write and create whether it be a short poem about a moment in their lives a tale with compelling images and creations that don't exist or creating art that can change our perspective As dedicated editors with a love for publishing art and the written word we are confident both our hard work and the authors multifarious works we have selected are aptly displayed herein We present the Spring 2014 issue of New Plains Review Christina Morel and Kaylee Kain Co Editors in Chief

New Plains Review Various, Various Authors, 2014-11-30 The stories and poems selected encompass issues and emotions such as loss the complexity of human relationships acceptance rebirth and the beauty of nature Our chosen artwork is diverse and displays multiple talents in various mediums The personal creative works contained within these pages whether fictional poetic visually artistic or true to life are powerful reflections of our current culture which we have preserved in their most elegant form We are pleased to present to you our Fall 2014 issue of New Plains Review Welcome to Fairyland Julio Capó Jr., 2017-10-03 Poised on the edge of the United States and at the center of a wider Caribbean world today's Miami is marketed as an international tourist hub that embraces gender and sexual difference As Julio Capó Jr shows in this fascinating history Miami's transnational connections reveal that the city has been a queer borderland for over a century In chronicling Miami's queer past from its 1896 founding through 1940 Capó shows the multifaceted ways gender and sexual renegades made the city their own Drawing from a multilingual archive Capó unearths the forgotten history of fairyland a marketing term crafted by boosters that held multiple meanings for different groups of people In viewing Miami as a contested colonial space he turns our attention to migrants and immigrants tourism and trade to and from the Caribbean particularly the Bahamas Cuba and Haiti to expand the geographic and methodological parameters of urban and queer history Recovering the world of Miami's old saloons brothels immigration checkpoints borders nightclubs bars and cruising sites Capó makes clear how critical gender and sexual transgression is to understanding the city and the broader region in all its fullness

*Reading(s) / across / Borders*, 2020-03-23 This collection emphasizes a cross disciplinary approach to the relevance of borders and bordering as a spatial paradigm in Anglophone studies It sets out to provide a critical counter narrative to the 1990s globalization argument of a borderless world by insisting on the significant roles borders play The essays range in

subject matter from geography history British and American literature to painting and Reggae music and map out different conceptualisations of the border place line process contact zones etc The volume s cross border narrative serves as a point of communication between the local and the global between Europe and America between different literary and artistic genres thus challenging the divides of geography and literature between real territorial borders and their fictional counterparts

*Losing Eden* Sara Dant,2023-06 American Scientist Recommended Read Historical narratives often concentrate on wars and politics while omitting the central role and influence of the physical stage on which history is carried out In *Losing Eden* award winning historian Sara Dant debunks the myth of the American West as Eden and instead embraces a more realistic and complex understanding of a region that has been inhabited and altered by people for tens of thousands of years In this lively narrative Dant discusses the key events and topics in the environmental history of the American West from the Beringia migration Columbian Exchange and federal territorial acquisition to post World War II expansion resource exploitation and current climate change issues *Losing Eden* is structured around three important themes balancing economic success and ecological destruction creating and protecting public lands and achieving sustainability This revised and updated edition incorporates the latest science and thinking It also features a new chapter on climate change in the American West a larger reflection on the region s multicultural history updated current events expanded and diversified suggested readings along with new maps and illustrations Cohesive and compelling *Losing Eden* recognizes the central role of the natural world in the history of the American West and provides important analysis on the continually evolving relationship between the land and its inhabitants

**When History Is Personal** Mimi Schwartz,2018-03-01 *When History Is Personal* contains the stories of twenty five moments in Mimi Schwartz s life each heightened by its connection to historical political and social issues These essays look both inward and outward so that these individualized tales tell a larger story of assimilation the women s movement racism anti-Semitism end of life issues ethics in writing digital and corporate challenges and courtroom justice A shrewd and discerning storyteller Schwartz captures history from her vantage as a child of German Jewish immigrants a wife of over fifty years a breast cancer survivor a working mother a traveler a tennis player a daughter and a widow In adding her personal story to the larger narrative of history culture and politics Schwartz invites readers to consider her personal take alongside official histories and offers readers fresh assessments of our collective past

Ogallala John Opie,Char Miller,Kenna Lang Archer,2018-08 2019 Choice Outstanding Academic Title The Ogallala aquifer a vast underground water reserve extending from South Dakota through Texas is the product of eons of accumulated glacial melts ancient Rocky Mountain snowmelts and rainfall all percolating slowly through gravel beds hundreds of feet thick Ogallala Water for a Dry Land is an environmental history and historical geography that tells the story of human defiance and human commitment within the Ogallala region It describes the Great Plains natural resources the history of settlement and dryland farming and the remarkable irrigation technologies that have industrialized farming in the region This newly updated third edition

discusses three main issues long term drought and its implications the efforts of several key groundwater management districts to regulate the aquifer and T Boone Pickens s failed effort to capture water from the aquifer to supply major Texas urban areas This edition also describes the fierce independence of Texas ranchers and farmers who reject any governmental or bureaucratic intervention in their use of water and it updates information about the impact of climate change on the aquifer and agriculture Read Char Miller s article on theconversation.com to learn more about the Ogallala Aquifer

**Origins of the Mass Party** Edwin Ackerman,2022 Mexico and Bolivia in comparative perspective and the sociology of party formation Dispossession and the mass party The emergence of the PRI in Mexico The failure of party formation in Bolivia Dispossession and party formation in broader comparative perspective Germany s SPD and the absent British Labour Party

**Red Earth Nation** Eric Steven Zimmer,2024-08-13 In 1857 the Meskwaki Nation purchased an eighty acre parcel of land along the Iowa River With that modest plot secured as a place to rest and rebuild after centuries of devastation and dispossession the Meskwaki or Red Earth People began to reclaim their homeland an effort that Native nations continue to this day in what has recently come to be called the Landback movement Red Earth Nation explores the long history of Landback through the Meskwaki Nation s story one of the oldest and clearest examples of direct purchase Indigenous land reclamation in American history Spanning Indigenous environmental and political history from the Red Earth People s creation to the twenty first century Red Earth Nation focuses on the Meskwaki Settlement now comprising more than 8 000 acres this is sovereign Meskwaki land not a treaty created reservation Currently the largest employer in Tama County Iowa the Meskwaki Nation has long used its land ownership and economic clout to resist the forces of colonization and create opportunities for self determination But the Meskwaki story is not one of smooth or straightforward progress Eric Steven Zimmer describes the assaults on tribal sovereignty visited on the Meskwaki Nation by the local state and federal governments that surround it In these instances the Meskwaki Settlement provided political leverage and an anchor for community cohesion as generations of Meskwaki deliberately and strategically though not always successfully used their collective land ownership to affirm tribal sovereignty and exercise self determination Revealing how the Red Earth People have negotiated shifting environmental economic and political circumstances to rebuild in the face of incredible pressures Red Earth Nation shows that with their first eighty acre land purchase in the 1850s Meskwaki leaders initiated a process that is still under way Indeed Native nations across the United States have taken up the Landback cause marshaling generations of resistance to reframe the history of Indigenous dispossession to explore stories of reclamation and tribal sovereignty

Daily Life in the American West Jason E. Pierce,2022-07-08 Daily Life in the American West details the lives of American Indians miners cowboys immigrants and settlers who together populated the unique region that is the American West Daily Life in the American West combines the credibility and coverage of a history textbook with a close and nuanced view of the amazing peoples who struggled to make a home for themselves in a beautiful and evocative but harsh and unforgiving region

Included here are close descriptions of how a variety of peoples lived their daily lives from nomadic Indian tribes to Chinese immigrants and from cowboys to city dwellers. It also conveys how those individual lives are reflected in the sweeping changes that occurred in a century that saw the West become the most modern and diverse of all the nation's regions. Readers will also find the expected cast of characters: gunfighters, American Indian leaders, cowboys, and so on, that have long captured the imagination of people around the world. Covered with an academic focus that tries to tell an accurate story of the West and its role in the United States, the book provides the scale of a textbook but in a more engaging format that should appeal to students and the general public.

*The Oxford Handbook of Midwestern History* Jon Lauck, 2025

The Midwest region holds a pivotal place in the tapestry of American history. *The Oxford Handbook of Midwestern History* delves into this rich heritage with chapters on topics ranging from the early Native American and French Midwest to the impact of the Northwest Ordinance and the Great Lakes, the emergence of Midwest regional consciousness after the Civil War, and the role of the Midwest's natural resources in the region's economic success and later decline. It presents the newest research on race, ethnicity, culture, politics, and economic development. It also considers the role of religion, organized labor, the presence of a diverse population of Germans, Irish, Dutch, and Latinos, and the influence of sports, nostalgia, populism, and isolationism. This handbook moves beyond the examination of traditional topics in Midwestern history to provide significant attention to matters such as architecture, literary realism, visual culture, and constitutionalism. This treatment of Midwestern history marks a major turn towards the history of the American interior. In many ways, *The Oxford Handbook of Midwestern History* marks the coming of age of what scholars and commentators are calling the New Midwestern History.

*Liturgical Calendar* Kevin Brown, 2014-12-12

Using the structure of the liturgical calendar and the lives of the saints for inspiration, Kevin Brown explores not only faith but subjects ranging from love to childhood and from grammar to grace. The saints' backgrounds serve as metaphors for our lives today as we struggle with our mortality and our morality. In these poems, Brown is able to laugh at himself and his failings while reminding us of our own. He points out where our various approaches to faith make us better people and where we fail to follow what we tell others to do. In these poems, the miraculous becomes ordinary, even as ordinary events and people are imbued with the sacred, granting readers hope for themselves and for the world.

Inlands Robert S. G. Fletcher, Alec Zuercher Reichardt, 2024-12-31

Conventional narratives of empires and globalization focus on oceans and coasts, supposing that global connections are seaborne and that historical change proceeds inward from port cities into continental expanses. This book offers a new perspective, examining key inland areas around the world to show how interior regions have shaped global history. *Inlands* brings together an interdisciplinary group of experts to explore the modern histories of inland regions across North and South America, Africa, Eurasia, and Australasia, from the American heartland to the Yangzi valley, the Great Dismal Swamp to the Arabian Desert. Together, they argue that interior regions provide a fresh vantage point from which to rethink the history of global connection and disconnection. Each chapter

reconsiders national regional or imperial histories from an inland perspective demonstrating how such places have spurred global change Contributors reveal the critical role inlands and their Indigenous inhabitants have played in the development projection and contestation of state power showing how some interiors became essential to empire even as others developed in resistance to it By examining the struggle to integrate inland regions into wider networks of exchange this book also sheds light on the unevenness and the limits of contemporary globalization A new global history of interior spaces Inlands presents a bold challenge to dominant understandings of the making of today s connected world *Global Raciality* Paola

Bacchetta, Sunaina Maira, Howard Winant, 2018-10-31 *Global Raciality* expands our understanding of race space and place by exploring forms of racism and anti racist resistance worldwide Contributors address neoliberalism settler colonialism race class and gender intersectionality immigrant rights Islamophobia and homonationalism and investigate the dynamic forces propelling anti racist solidarity and resistance cultures Midway through the Trump years and with a rise in nativism fervor across the globe this expanded approach captures the creativity and variety found in the fight against racism we see the world over Chapters focus on both the immersive global trajectories of race and racism and the international variation in contemporary configurations of racialized experience Race class and gender identities may not only be distinctive they can extend across borders continents and oceans with remarkable demonstrations of solidarity happening all over the world Palestinians Black Panthers Dalit Native Americans and Indian feminists among others meet and interact in this context Intersections between race and such forms of power as colonialism and empire capitalism gender sexuality religion and class are examined and compared across different national and global contexts It is in this robust and comparative analytical approach that *Global Raciality* reframes conventional studies on postcolonial regimes and racial identities and expression
