Beyond Self-Care Potato Chips Amber Wardell, 2024-10-29 From a cognitive psychologist a trusted voice among millennial women a call to action for readers everywhere to enter their true self care era that will nourish and sustain them Toxic self care culture tells women that bubble baths and Botox are the route to happiness and fulfillment Though these types of self care can fill us up in the moment they cannot provide long lasting nourishment They are empty calories the potato chips of self care And from them we can never get full In the same way we will not feel fulfilled by reaching for the empty calorie self care trends that toxic materialistic self care culture sells us To fill our exhausted bodies and weary minds to live fully and authentically we need the kind of self care that nourishes Beyond Self Care Potato Chips is a call to action for women everywhere to reach instead for nourishing self care Though this may sound easy in theory many women struggle to carry it out We struggle because we have forgotten how to reach Our training as little girls taught us that it is polite to be grateful for what we get To say thank you but I'm full when offered second helpings To accept the potato chips we are given because there are people on this planet who have none so how dare we ask for more Through the narrative voice of a psychologist who is also an exhausted millennial mom trying to keep it all together Beyond Self Care Potato Chips explores courageous self care in the areas of marriage motherhood family dynamics friendships career life and mental health The author's personal stories range from the hilariously yet painfully relatable to the resonantly heart rending Each of these stories the beautiful the sparkling the sad and the chaotic teach women something about what it means to reach What it means to stop settling for potato chips and to instead grasp for the things that truly fulfill Beyond Self Care Potato Chips is a mindset a way of embracing and stepping into all of our divine feminine power *Outing Magazine* Poultney Bigelow, James

Henry Worman, Ben James Worman, Caspar Whitney, Albert Britt, 1906 **The Routledge Handbook of Victorian Scandals in Literature and Culture** Brenda Ayres, Sarah E. Maier, 2022-12-01

The Routledge Handbook of Victorian Scandals in Literature and Culture exposes explores and examines what Victorians once considered flagrant breaches of decorum. Infringements that were fantasized through artforms or were actually committed exceeded entertaining parlor gossip once in print they were condemned as socially contaminative but were also consumed as delightfully sensational. Written by scholars in diverse disciplines this volume Demonstrates that spreading scandals seemed to have been one of the most entertaining sources of activities but were also normative efforts made by the Victorians to ensure conformity of decorum. Provides a broad spectrum of infractions that were considered scandalous to the Victorians. Identifies Victorian transgressions that made the news and that may still shock modern readers. Covers a gamut of moral infractions and transgressions either practiced rumored or fantasized in art forms. This handbook is an invaluable resource about Victorian literature art and culture which challenges its readers to ponder perplexing questions about how and why some scandals were perpetrated and propagated in the nineteenth century while others were not and what the controversies reveal about the human condition that persists beyond Victoria's reign of propriety.

Unseen-Unheard Amity Pierce Buxton, R. L. Pinely, 2013-06

When presumably heterosexual spouses turn out to be gay lesbian bisexual or transgender the unexpected revelation overshadows its devastating impact on their straight wives and husbands. *Unseen Unheard* opens the window on their remarkable journeys from trauma to transformation. What would you do if your husband said he'd fallen in love with a man or thinks he might be gay or bisexual or you discovered your wife's texts photos or emails indicating she has a female lover and wonders if she might be lesbian or bisexual. Well this happens a shattering reality that at least two million men and women have faced and tried to understand and accept even as we were unseen and our voices unheard. Who are we? We are husbands and wives left behind when our spouses came out or after we discovered they were gay lesbian bisexual or transgender. Shocked and paralyzed swirling in the devastating wake of our beloveds revelation we had to pick up unrecognizable pieces of our former lives and try to reconfigure them without much outside support recognition or understanding of the depth of the crisis. Yes straight spouses typically cope alone with unique issues of sexuality betrayal and broken belief systems. Slowly we redefine ourselves create new lives affirm the joy of living and reap life's infinite possibilities. We invite you to walk with us and experience our journey from the first desperate cries of discovery or disclosure to insights and wisdom gained as we resolve our issues and transform our lives. As you observe and listen we hope you will embrace the courage creativity and resilience of our strength which we didn't know we had yet was so powerful that lifelong habits were broken and we uniquely and marvelously became who we were meant to be.
