Nexus Ziva Payvan 2:

Nexus EJ Fisch,2014-12-01 Someone out there chose the wrong person to start this fight with and it will have been the last mistake they ever made It has been two months since the mission to Dakiti that brought Ziva Payvan and her special operations team face to face with death But like any other mission she has put it behind her and keeps her focus directed toward whatever comes next Life for HSP s Alpha spec ops team has essentially returned to normal But then a Haphezean dignitary is found murdered in his private residence and Ziva is shocked to find herself at the center of the investigation The mark of a professional killer The irrefutable evidence Even the motive All of it seems to point directly to her There s just one problem she didn t do it Hunted by a ruthless HSP captain Ziva must go on the run from the very people who taught her everything she knows The agency that once had her back is now her biggest threat those she considered allies have turned against her or have their hands tied As a skilled assassin who has been trained to be invisible evading her pursuers seems like an easy task but her own skills can only take her so far Desperate to clear her name and find the real killer Ziva turns to an old acquaintance a man who saved her life once and the last person she ever planned on asking for help *The Ziva Payvan Collection* EJ Fisch,2016-01-01 The distant world of Hapheze is located on the edge of populated space The planet s native superhuman race is feared and respected by neighboring civilizations Their military and police forces are unmatched Haphezean operative Ziva Payvan has spent most of her life being fashioned into a deadly weapon Trained to fight and not feel she focuses only on the mission at hand and never dwells in the past a past that houses many secrets But when those secrets start forcing their way back into her life she begins to find herself in the unique position of needing to save lives rather than take them As Ziva and her ops team work in the shadows and struggle to survive they find themselves pitted against the most personal and most deadly of enemies enemies who threaten not only their own lives but the lives of everyone around them
