

AN EXAMPLE OF AN AUTOBIOGRAPHY

I was born on a warm, sunny day in June in Sarasota, Florida. I still live in Sarasota, Florida, and I go to school at Booker High School. I live with my mom, Kate; my brother, Jake; and my Aunt Molly. When I was born, my brother was fifteen-months-old and hid under the table from me. Jake is a sweet kid and he would do anything for me, but like all brothers and sisters we fight like cats and dogs. Sometimes when no one was around, Jake would come up to me and bite my toes for no reason. I still love him but only because he is my brother.

Who I am in life.

My name is Sally Friday. I started school when I was six-years-old. I went to kindergarten through fifth grade at Booker Elementary and while I was there, I won an award for perfect attendance. I also won an award for honor roll all four terms. Then I attended Booker Middle School, and there I also won a couple of awards: one for perfect attendance and two for being named Student of the Year--one in sixth grade and the other in eighth grade. I am now a senior at Booker High School. I plan on finishing school and maybe going to a community college.

What life means to me.

Life to me means friends and family who you can trust and who trusts you. I am pretty much on the happy side of life, but like all teens I do I have my "days off." That means I do have some sad days or depressed days. I have a few friends here that sort of look out for me and when I am having a bad day, I have someone here at school to talk to. I make my school days go by thinking of either the next hour or what I will do when I get home or on the weekend. I'm not seeing anyone now but when I did have a boyfriend, our favorite places to go were the movies and out to dinner. Sometimes we went to the beach. Only once we went to an amusement park: Universal Studios. We were together for twenty-nine days and then we broke-up; so no, I don't think it was forever.

What's my outlook on the future.

No Name With Biographical Introduction:

"The" Life of Samuel Johnson, LL. D. James Boswell, 1883 *All Those Strangers* Douglas Field, 2015-06-02 *All Those Strangers* examines how Baldwin's fiction and non fiction shaped and responded to key political and cultural developments in the United States from the 1940s to the 1980s *The Hindī Biography of Dādū Dayāl* Jangopāl, Winand M. Callewaert, 1988-01-01 During the past few decades some lengthy studies have been devoted to Dadu and the Dadupanth. When writing a biography of Dadu authors often give a list of sources without apparently having consulted the works they mention with the result that most literature on the subject now available is to a great extent merely the result of copying from earlier writers. Often a mass of details about Dadu is given without a clear distinction being made between early documents and later information arising from tradition. In most cases the composition of an original work was followed by a wave of sectarian historians who indulged in laudatory embellishments to the point of the most fanciful miracle mongering. A critical edition of the Hindi Biography of Dadu by Jan Gopal was urgently needed because it shows that within one generation after its redaction the original version was greatly expanded and delicate issues in it were explained. Both versions are given here with an English translation and commentary **The Dictionary of National Biography** Leslie Stephen, Sir Sidney Lee, 1917 English Biography in the Eighteenth Century Mark Longaker, 2016-11-11 The growth and maturity of life writing especially in the works of Johnson and Boswell with an incidental picture of the times DR. All strategies explained in this text are based on sound theories of teaching writing and on the patterns of successful writers. Writing and thinking should not be separated and presenting only the steps without the

accompanying explanation of how they influence thinking would be of little more help than having no method at all By using this text the students will see as they plan draft and revise how their writing helps clarify their thoughts This clearly written and engaging textbook is illustrated by real examples of student writing and appropriate cartoons The second edition was revised and updated based on the large scale evaluation of the first edition completed by professors and students The new edition reflects four essential values recognizing the diversity of writing processes the necessity of peer and teacher interaction with the writer on drafts the integration of writing and reading and the appropriate uses of technology Specific features of this second edition include new writing samples electronic citation formats updated library use chapter with technological guidance concise paragraph chapter revised introduction and conclusion chapter rhetorical as well as grammatical explanations for punctuation usage new cartoons exercises drawn from students papers a condensed chapter on research papers and an expanded and clearer chapter on special assignments and other writing tasks A Collegiate Press book
