Javier Trevino,2024-05-16 General Editor A Javier Trevino working with a panel of experts thoroughly examines all aspects of social problems providing a contemporary and authoritative introduction to the field Each chapter is written by a specialist on that particular topic This unique contributed format ensures that the research examples and theories described are the most current and relevant available The text is framed around three major themes intersectionality the interplay of race ethnicity class and gender the global scope of many problems and how researchers take an evidence based approach to studying problems **Innovative Justice** Hannah Graham,Rob White,2014-07-17 This book showcases innovative justice initiatives from around the world which engage offenders practitioners and communities to reduce reoffending and support desistance and positive change It is groundbreaking in bringing together inspiring ideas and pioneering practices to analyse how justice done differently is making a difference The voices and experiences of the people at the forefront of these innovative initiatives are presented

throughout the book including offenders corrections staff and directors the judiciary scientists and academics volunteers and community organisations Strengths based research methods are used to investigate and celebrate best practices and good news stories from the field The authors raise critical questions about what is considered innovative and effective for whom and in what context presenting their own conceptual approach for analysing innovation With initiatives drawn from diverse jurisdictions and cultures including the UK Europe Australia Asia the US and South America this book showcases original ideas and refreshing developments that have the potential to transform rehabilitation and reintegration practices The book s substance and style will resonate with practitioners students and academics across the interdisciplinary fields of criminology and criminal justice

New York City Correction Officer Exam Review Guide Lewis Morris,2015-10-09 Learn how to pass the New York City Correction Officer Exam and join the ranks of New York s Boldest The number of candidates taking the exam has increased dramatically in recent years reflecting the challenges of the job market In order to succeed against this increased competition the candidate must be prepared to tackle the unique question types found on the exam This book contains the most up to date and accurate information to help you prepare for the Correction Officer Exam Written using lessons learned from the latest exam updates this manual squarely prepares the reader for all of the exam sub areas including Memory Visualization Deductive Reasoning Inductive Reasoning Reading Comprehension Number Facility Mathematical Reasoning and Written Expression

Community Corrections Robert D. Hanser,2013-08-06 Offering comprehensive coverage with an applied practical perspective Community Corrections Second Edition covers all the major topics in the field while emphasizing reintegration and community partnerships and focusing strongly on assessment risk prediction and classification Author Robert D Hanser draws on his expertise with offender treatment planning special needs populations and the comparative criminal justice fields to present a complete assessment of the issues and challenges facing community corrections today Insights into how the day to day practitioner conducts business in community corrections are illustrated by such things as the increasing role technology plays in the field

Race and Crime Shaun L. Gabbidon,Helen Taylor Greene,2024-08-16 Written by two of the most prominent criminologists in the field Race and Crime 6th Edition takes an incisive look at the intersection of race and ethnicity and the criminal justice system A thought provoking discussion of contemporary issues uniquely balances the historical context and modern data and research to offer students a panoramic perspective on race and crime Accessible and reader friendly this comprehensive text shows students how race and ethnicity have mattered and continue to matter in all aspects of the administration of justice

Adverse Impact Analysis Scott B. Morris,Eric M. Dunleavy,2016-12-01 Compliance with federal equal employment opportunity regulations including civil rights laws and affirmative action requirements requires collection and analysis of data on disparities in employment outcomes often referred to as adverse impact While most human resources HR practitioners are familiar with basic adverse impact analysis the courts and regulatory agencies are increasingly relying on more sophisticated methods to assess disparities

Employment data are often complicated and can include a broad array of employment actions e.g. selection, pay, promotion, termination as well as data that span multiple protected groups, settings and points in time. In the era of big data, the HR analyst often has access to larger and more complex data sets relevant to employment disparities. Consequently, an informed HR practitioner needs a richer understanding of the issues and methods for conducting disparity analyses. This book brings together the diverse literature on disparity analysis, spanning work from statistics, industrial/organizational psychology, human resource management, labor economics and law, to provide a comprehensive and integrated summary of current best practices in the field. Throughout, the description of methods is grounded in the legal context and current trends in employment litigation and the practices of federal regulatory agencies. The book provides guidance on all phases of disparity analysis, including: How to structure diverse and complex employment data for disparity analysis; How to conduct both basic and advanced statistical analyses on employment outcomes related to employee selection, promotion, compensation, termination and other employment outcomes; How to interpret results in terms of both practical and statistical significance; Common practical challenges and pitfalls in disparity analysis and strategies to deal with these issues. *Public Affairs Information Service Bulletin*, 1920

Juvenile Delinquency Christopher A. Mallett, Miyuki Fukushima Tedor, 2018-07-13

Juvenile Delinquency: Pathways and Prevention explores the pivotal roles that family, trauma, mental health and schools have on juvenile delinquency while exploring opportunities for prevention and intervention. Authors Christopher A. Mallett and Miyuki Fukushima Tedor draw from years of experience working with juvenile offenders to shed light on the nature of delinquency and the diverse pathways to juvenile delinquency while offering evidence-based techniques for preventing and rehabilitating youthful offenders. Clear explanations of the concepts and thought-provoking case studies move students beyond memorization, encouraging them to think critically about juvenile delinquency and make recommendations for better practices and policies. **Juvenile Justice** Steven M. Cox, Jennifer M. Allen, Robert D. Hanser, John J. Conrad, 2022-01-21

Juvenile Justice: A Guide to Theory, Policy and Practice takes students through the practical realities of the juvenile justice system and the most current topics in the field. The Tenth Edition features real-life examples, excellent pedagogical features and complete digital resources to help students learn interactively. *Bulletin of the Public Affairs Information Service* Public Affairs Information Service, 1920
