**Sensitive to Listen and Willing to Obey** Doris M. Arwine, 2014-05 God uses people daily to communicate His fragrance and message to us Too often we don t check to see what aroma or impression we are leaving for others to see hear or smell After visiting someone s home or before checking out of a motel or when moving we double check

to make sure we haven't left anything behind Even criminals check to make sure they haven't left any clues at the crime scene to identify them A story reminded me of this A robber thought he had committed the perfect crime He assumed he left no clues behind But he didn't count on someone remembering how he smelled The smell he left behind was what helped convict him Yes we leave something everywhere we go Stuart Holden reminded a young man moving from a boarding house of this fact when the young man said he was just double checking to make sure he wasn't leaving anything behind There's one thing you will leave behind young man your influence      *A course of Sunday school lessons on the faith of the Church.
