Occultism is the practice of occult disciplines including extra sensory perception spiritualism religion astrology magic alchemy and divination Occultism and its concepts are part of the belief structures of philosophies and religions The diverse forms of occultism have a strong desire to reconcile the conclusions of modern natural science with a religious believes that could restore man to a central position and dignity in the universe Journalist historian and soldier was born in Montreal Educated at Kingston Ontario Part of the staff of the Boston Globe and was its correspondent in Cuba Later became the reporter in Georgia for the New York Herald After founding a newspaper in Atlanta Georgia and engaging in journalism in New York he went to England and joined the London Daily Mail Later on he became a free lance writer and a prolific author Many of his books explored Canadian history and issues He also served as a senior officer with the Canadian Expeditionary Force *Occultism and Common-Sense* Beckles Willson,2020-08-24 When I first ventured into the wide and misty domain of Occultism with a light heart I set forth and an open mind My sole aim was to ascertain as far as the means at the disposal of an ordinary man with little of the mystic in his composition would allow what degree of probability attached to published phenomena which the ordinary laws of Nature as most of us understand them could not satisfactorily explain At the threshold of my inquiry one prominent and as it seemed to me disconcerting fact confronted me namely that although for a couple of generations supernatural manifestations had been promiscuously exhibited before the public challenging full investigation

and inviting belief although almost every day the newspapers report some striking case of spirit apparition or materialisation coincident dreams clairvoyance trance utterances or possession often seemingly well attested yet in spite of all this testimony academic science continued to dispute the very basis of such phenomena Any investigator must needs recognise here a very anomalous situation
