The Police, the People, the Politics Michelle Kagari, Sophy Thomas, 2006 **The Language of Police Interviewing** G. Heydon, 2004-12-07 Police interviewing is a critical part of the justice process and more attention is now being paid to training in interview techniques This new study uses tools drawn from interactional sociolinguistics and conversation analysis for a detailed study of some police questioning of adult suspects and work undertaken in the training of police in interviewing children in which quite different approaches seem to be adopted Critical discourse analytic techniques are used in interpreting the outcome and the implications for training are explored **The Monthly Army List** Great Britain. Watch Committee, 1923 Conflict of Interest in Policing Cindy Davids, 2008 Conflict of interest allegations have become a prominent part of the landscape of political and public sector ethics in Australia and overseas The arena of policing has not been immune from this problem and this book is based on unique and unfettered access to ten years of internal investigation files held by Victoria Police Through detailed analysis of actual complaint cases it gives the reader a comprehensive map by which to chart the particular kinds of interests involved the nature of conflicts with official police duties and the particular contexts from which conflicts of interest emerge The book examines conflicts of interest across the private and public realm of the everyday lives of police officers The author outlines how the problem of conflict of interest is an important aspect of police ethics arguing that recognition of and accountability for conflict of interest may be a significant element in preventing upstream police misconduct and corruption Conflict of Interest in Policing seeks to provide a conceptual and practical understanding of how integrity and trust must be integrated into the profession of policing through processes of active responsibility rather than more traditional passive obedience to prescriptive rules **Police Reforms In India: An Analytical Study** K..
