Sailing Alone Richard J. King, 2024-05-21 2024 National Outdoor Book Award Silver Medal Winner A masterfully curated collection You don't have to be a sailor to be blown away by this fascinating bighearted book Nathaniel Philbrick author of *In the Heart of the Sea* *Travels with George* and *Second Wind* A story as vast and exhilarating as the open ocean itself **SAILING ALONE** chronicles the daring disastrous and often absurd history of those who chose to sail across the ocean in very small boats alone Sailing by yourself out of sight of land can be invigorating and terrifying compelling and tedious and sometimes all of the above in one morning But it is also a wide expanse of time in which to think *Sailing Alone* tells the story of some of the remarkable people who over the last four centuries have spent weeks and months moving slowly over the world's largest laboratory a capricious and startling place in which to observe oneself the weather the stars and countless sea creatures from the tiniest to the most massive and threatening Richard J King profiles characters famous diverse international and obscure from Joshua Slocum of 1898 to modern teenagers daring to take the challenge They see strange hallucinations lie to us and themselves on their travel logs encounter sharks befriend birds and experience ESP all part of the unnerving reality of extended isolation And some disappear altogether *Sailing Alone* also recounts the author's own nearly catastrophic solo crossing of the Atlantic and the mystery of his inexplicable survival one sunny afternoon An enormously engaging new book for skippers and armchair voyagers alike

Sailing Alone Around the World Joshua Slocum, 2013-05-26 Joshua Slocum's epic solo voyage around the world in 1895 in the 37 foot sloop *Spray* stands as one of the greatest sea adventures of all time It remains one of the major feats of singlehanded voyaging and has since been the inspiration for the many who have gone to sea in small boats Starting from Boston in 1895 by the time he dropped anchor in Newport Rhode Island over three years after his journey began he had cruised some 46 000 miles entirely by sail and entirely alone Slocum's account of his epic voyage is a classic of sailing literature acclaimed as an unequalled masterpiece of vital yet disciplined prose It will be welcomed by admirers of his legendary achievement It is a timeless work that can be read again and again and a story that totally absorbs the reader with its enormity and honest endeavour *RNSA Journal* Slocum's prose is a model of its kind honest vivid salty and at times lyrical *Traditional Boats and Tall Ships* One of the all time classic sailing narratives *Classic Boat A Man for All Oceans: Captain Joshua Slocum and the First Solo Voyage Around the World* Stan Grayson, 2017-05-16 The product of years of research *A Man for All Oceans* is the most comprehensive biography of Slocum ever published and the first written by a small boat sailor Author historian Grayson uncovered previously unknown original source materials to shed new light on one of history's greatest sailors while answering questions that have been asked ever since the publication of *Sailing Alone* In June 1898 three years and two months after departing Boston in his aged oyster sloop *Spray* Captain Joshua Slocum made landfall in New England and became the first person ever to sail alone around the world The voyage capped a lifetime of adventure for the indomitable Slocum who had advanced from seaman to captain during the challenging final

years of commercial sail surviving hurricanes mutinies shipwreck and the death at sea of his beloved first wife Virginia Sailing Alone Around the World Slocum s book about his circumnavigation is a seafaring classic unmatched for adventure and literary verve and has never been out of print since its publication in 1900 Yet despite several biographies over the decades Slocum the man has remained unknowable to his legions of admirers the facts of his life and career as elusive as a ship on a fogbound sea Here is the real story of Slocum s Nova Scotia childhood his seafaring career and how he became an American citizen Grayson gives ample evidence of Slocum s uncanny genius as a navigator while also noting the occasional role that good luck played in his voyages including his odyssey from Brazil to the United States in the self designed and built 35 foot Liberdade And Grayson brings a sailor s perspective to Slocum s solo circumnavigation and mysterious disappearance at sea A fascinating appendix compares Sailing Alone Around the World with Thoreau s Walden and shows that Slocum s simple lifestyle and self sufficiency prefigured today s emphases on the environment and living responsibly Previously unpublished photographs bring Slocum s world to life and detailed maps trace the adventures of a sailor who knew the world like the back of his hand This biography reads like an adventure narrative and will serve as the standard work on Joshua Slocum for years to come *The Travel Narratives of Ella Maillart* Sara Steinert Borella,2006 Ella Maillart traveled throughout Asia in the 1930s and 1940s and wrote fascinating travel books about her experiences Her books once best sellers in French and English have since fallen into the margins of literary studies *The Travel Narratives of Ella Maillart* En Gendering the Quest offers an in depth analysis of Maillart s travel narratives in the context of colonial and postcolonial theory and gender studies Sara Steinert Borella s comparative study focuses on competing modes of discourse modes of transport and the dual nature of the journey Her critical analysis explores questions of gender genre and nationality as she inscribes Ella Maillart onto the map of twentieth century travel writers *Moitessier* Jean-Michel Barrault,2005 Jean Michel Barrault is a writer and friend of sailing legend Bernard Moitessier *Catalogue of Music* British Museum,1888

Copyright Office,1953 **Birgom's Diary** Clive Semmens,2019-11-05 To Birgom s people the Known World is bounded by treacherous ice to the North and South by the endless ocean to the West and by impenetrable jungles and merciless deserts in the East Birgom leaves this world behind Sometimes joyful sometimes desperately sad sometimes written in excruciating detail or

forgotten for years Birgom's Diary charts his long and eventful life in a world that's recognizably ours yet very different. Maybe a few hundred years in the future maybe a few thousand I don't know. Post-apocalyptic but so far post that the apocalypse is the subject of speculation or mythology not history on the rare occasions that it enters anyone's consciousness at all. This is not a sci-fi world of high technology or space travel but nor is it a world of primitive savages. But you'll have to read it. In the back of the book there are some maps that Birgom drew of his travels. It's in the same world as my previous novel *Exile* with some of the same characters. Birgom is an important secondary character in *Exile* and his diary is mentioned. The story elements below are oversimplified while there's a lot of nautical setting there's a lot of non-nautical setting too and the time period is wrong.

Sound of the Crowd: a Discography of the '80s (Fourth Edition) Steve Binnie, 2018-11-05
 SOUND OF THE CROWD A DISCOGRAPHY OF THE 80s is the ultimate record collector's guide to the 1980s. In the era of multi-formatting, picture discs, coloured vinyl, multiple remixes, funny shaped records and tiny CDs you could lose down the back of the sofa, this book lists every format of every single EP and album released in the UK in the 1980s by over 140 of the decade's biggest acts from ABBA to Paul Young. This fourth edition has been fully revised and expanded to include even more acts than ever before with additional sections to cover Band Aid style charity congregations and compilation albums from the early 80s K Tel efforts through to the Now That's What I Call Music series and its competitors. Compiled by Steve Binnie, editor of the 80s music website Sound of the Crowd and writer/producer and co-host of the unconventional 80s chart show Off the Chart broadcast weekly on Mad Wasp Radio.

Much writing on men in the field of gender studies tends to focus unduly almost exclusively on portraying men as villains and women as victims in a moral bi-polar paradigm. *Re-Thinking Men* reverses the proclivity which ignores not only the positive contributions of men to society but also the male victims of life including the homeless, the incarcerated, the victims of homicide, suicide, accidents, war and the draft and sexism as well as those affected by the failures of the health, education, political and justice systems. Proceeding from a radically different perspective in seeking a more positive, balanced and inclusive view of men and women, this book presents three contrasting paradigms of men as heroes, villains and victims. Revised and updated and presenting data and studies from the United States, Canada and the United Kingdom, it offers a comparative and revised perspective on gender that will be of interest to scholars across a range of social
