Samoan Fingerstyle Guitar Playing:

So You Want to Start a Brewery? Tony Magee, 2014-10-01 In 1993 Tony Magee who had foundered at every job he'd ever had decided to become the founder of a brewery. *So You Want to Start a Brewery* is the thrilling first person account of his gut wrenching challenges and heart warming successes. Based in Petaluma California the Lagunitas Brewing Company makes simple and flavorful craft beer that defies categorization. The same could be said for this book. Equal part memoir narrative and business story with liberal dashes of pop culture and local color this illuminating yet hilarious account of a one of a kind made in America journey just happens to culminate with the success of one of the nation's most popular craft beer brands. In twenty years Lagunitas has grown from a seat of the pants one man operation to be the fifth largest and the fastest growing craft brewer in the United States. *So You Want to Start a Brewery* is a look behind the curtain rather than a simple business story. It's unglamorous and full of hilarious digressions but it's never afraid to mess with the nuts and bolts. Devoted to details but never boring this is a must read for all who have considered starting their own business or have sweated blood working to get one on its feet. Told in the vibrant voice of the man closest to the process and with the most to lose this illuminating volume should quench the thirst of anyone who has ever tried a Lagunitas beer. Tony Magee is the founder and CEO of the Lagunitas Brewing Company. He lives in Marin County California. **Words on Cassette, 2002** R R Bowker Publishing, 2002

Ki Ho'alu is one of the world's great acoustic guitar traditions. This tradition includes virtuoso guitar pieces but the majority of songs played slack key are classic Hawaiian melodies either played as instrumentals or as accompaniment to vocals with instrumental breaks between the verses. The term slack key does not refer to a type of guitar but rather to any guitar played in the slack key style that is in alternate tunings with slacked strings and fingerstyle technique. Acknowledged slack key master Keola Beamer is a member of a family known for its musical artistry for generations. We are fortunate to have him writing in conjunction with veteran Mel Bay author, educator and multi instrumentalist Mark Nelson who simply followed his love of the music to the Islands. Written in standard notation and tablature to accommodate numerous alternate tunings, this book is presented in four sections: 1 the most common tuning introduced by fairly easy songs, 2 Illustrations of how to build your own arrangements, 3 A presentation of various slack key tunings and 4 A selection of duets in the slack key style. Historical and cultural insights are offered throughout in the spirit of
