Appropriate behavior through learning self-control is a part of becoming a responsible teenager and adult. See employability section.

EMPLOYABILITY: This class is an opportunity for you to learn and apply employability skills in a hands-on way. The way you behave, work with others, put forth real effort, and apply your learning will enhance your employability now and in the future, and will directly affect your grade in this class.

FOLDER: Every student must have a 2- pocket folder for this class. Bring it to class daily. If you keep this syllabus through the entire semester, I will give you 5 points at the end of the semester as a reward for being responsible and organized. (Both are important employability skills.)
