Saudi Arabia, a vast desert land, has the world's largest oil reserves. It also includes Islam's holy land. Since the 1920s, kings from the Sa'ud (sah OOD) family have ruled Saudi Arabia. However, Saudi Arabia's economic development after World War II depended on massive oil exports to the Western world. In return, Saudi leaders relied on the military support of the United States.

Use the excerpt to answer question 2.

2. Which of the following conclusions can be drawn about Saudi Arabia?
- A It is harmful for the country to have good relations with Western nations.
 - B The country maintains its strength by having conflicts with Western nations.
 - C The country is not interested in interacting with Western nations.
 - D It is important for the country to have good relations with Western nations.

Crossroads and Cultures, Volume II: Since 1300 Bonnie G. Smith, Marc Van De Mieroop, Richard von Glahn, Kris Lane, 2012-01-30 *Crossroads and Cultures A History of the World's Peoples* incorporates the best current cultural history into a fresh and original narrative that connects global patterns of development with life on the ground. As the title *Crossroads* suggests, this new synthesis highlights the places and times where people exchanged goods and commodities, shared innovations and ideas, waged war and spread disease, and in doing so joined their lives to the broad sweep of global history. Students benefit from a strong pedagogical design, abundant maps and images, and special features that heighten the narrative's attention to the lives and voices of the world's peoples. The Sociological Review, 1908 *Globe Fearon Global Studies: Teacher's resource manual*, 1997 *Writers and Nations* Mohammed Ghazi Alghamdi, 2021-10-12 *Writers and Nations The Case of American and Saudi Literatures* examines how the concept of the nation in nineteenth century American literature and twentieth century and contemporary Saudi Arabian literature is represented in an array of relevant works. Reading their works gives us a sense of their conceptions of nation as a political and or a social community. Writers examined in this book often see the nation as a threat to marginalized groups due to its cultural, religious, and political constraints. Writers tend to represent the tension between individuals and communities as a significant key to understanding a particular nation. This tension carries in it a sense of the boundaries of the nation. It is a question of who is part of the nation and who is not. The constraints of a certain nation be they political or

social include the dominant by excluding the repressed or the marginalized In other words by exposing the tension between disenfranchised and dominant groups writers define redefine and reform for us the national political and social scenes of a particular nation
