

A woman with glasses and a green headband is shown in a state of spiritual fervor, with her mouth open as if speaking or shouting, and her hands raised high in the air. She is wearing a dark purple t-shirt. In the background, other people are visible, some with their hands raised, suggesting a group worship or prayer session. The lighting is dim, with a blueish tint, creating a solemn and intense atmosphere.

Pentecostalism Talmadge L. French, 2014-07-02 Early Interracial Oneness Pentecostalism is a look at what is perhaps the least known chapter in the history of American Pentecostalism The study of the first thirty years of Oneness Pentecostalism 1901-31 is especially relevant due to its unparalleled interracial commitment to an all flesh all people counter cultural Pentecost This in depth study details the lives of its earliest primary architects including G T Haywood R C Lawson J J Frazee and E W Doak and the emergence of Oneness Pentecostalism and its flagship organization Pentecostal Assemblies of the World This is a one of a kind history of Pentecostalism through the lens of the Jesus Name movement and the interracial struggles of the period interlinking the significance of Charles Parham William Seymour and the Azusa Street revival COGIC the newly formed Assemblies of God and dozens of the earliest Oneness organizational bodies Exploration of the significance of the role of African American Indianapolis leader G T Haywood is central as are the development of the movement's key centers in the United States and the ultimate loss of interracial unity after more than thirty years These crucial events marked indelibly the U S the global missionary and the autochthonous expansion of Oneness Pentecostalism worldwide

The American Journal of Theology University of Chicago. Divinity School, 1909 Vols 2-6 include Theological and Semitic literature for 1898-1901 a bibliographical supplement to the American journal of theology and the American journal of Semitic languages and literatures By W Muss Arnolt Separately pagged **SCM Core Text: Pentecostalism** William K. Kay, 2013-01-26 The Pentecostal and charismatic movements showed astonishing growth in the twentieth century so as to arrive at a total that is said to include at least 400 million people worldwide The academic study of the Pentecostal and charismatic movement has been gaining momentum in the last few years both as an element within contemporary religious studies and as a strand within the subject area of church history going back to the early church This student friendly text is essential reading for students of Theology and Religious Studies taking second or third year modules in Pentecostal studies It is also of great relevance to students of sociology of religion as well as cultural and historical studies of religion and religious movements In addition to a comprehensive and accessible introduction to the subject it offers useful resources such as suggestions for further reading questions for reflection and a glossary of technical terms *Who is Present in Absence?* Pamela F. Engelbert, 2019-01-16 What transpires when Classical Pentecostals pray for God to intervene within their suffering but God does not Traditionally Classical Pentecostals center on encountering God as demonstrated through the relating of testimonies of their experiences with God In seeking to contribute to a theology of suffering for Pentecostals Pam Engelbert lifts up the stories of eight Classical Pentecostals to discover how they experienced God and others amidst their extended suffering even when God did not intervene as they had prayed By valuing each story this qualitative practical theology work embraces a Pentecostal hermeneutic of experience combined with Scripture namely the Gospel of John As a Pentecostal practical theological project it offers a praxis theology of action of suffering and healing during times when we experience the apparent absence of God It invites the reader to enter into the space of the other's suffering by way of empathy and

thereby participate in God's act of ministry to humanity through God's expression of empathy in the very person of Jesus

New Mexico's Moses Ramón A. Gutiérrez, 2022-06 In New Mexico's Moses Ramón A. Gutiérrez dives deeply into Reies López Tijerina's religious formation during the 1940s and 1950s illustrating how his Pentecostal foundation remained an integral part of his psyche even as he migrated toward social movement politics An Assemblies of God evangelist turned Pentecostal itinerant preacher Tijerina used his secularized apocalyptic theology to inspire the dispossessed heirs of Spanish and Mexican land grants fighting to recuperate ancestral lands throughout northern New Mexico and the Southwest Using Tijerina's collected sermons Gutiérrez demonstrates the ways in which biblical prophecy influenced Tijerina throughout his life from his early days as a preacher to his leadership of the Alianza Federal de Mercedes Tijerina sought justice for those who had lost their lands and was determined to eradicate the most egregious forms of racism and to valorize the language and culture of Mexicanos Translated into English for the first time here Tijerina's sermons serve as a blueprint for the religious origins of the Mexican American Civil Rights Movement

The Full Gospel Assembly (FGA) of Washington, DC, 1907-1934 Donald W. Kammer, 2024-07-16 The 1906 earthquake of Pentecostalism at the Azusa Street Mission in Los Angeles California sent a jolt to Washington DC during 1906-1907 This Washington DC shock wave began when a group of women read and acted upon reports in the Azusa Street Mission's Apostolic Faith newspaper This event resulted in the creation and development of an influential church in the District of Columbia Full Gospel Assembly In a well researched examination of a little recognized and nearly forgotten religious community in Washington DC retired United States Army chaplain Don Kammer explores the church's beginnings as part of the early twentieth century Pentecostal and Charismatic revival Full Gospel Assembly was an example of an early Pentecostal evangelistic fusion a common element in today's American evangelical religion Kammer identifies the challenges successes and the impact on the surrounding DC community As he leads others through FGA's fascinating history Kammer explains why the story of FGA is important reflects upon the conflicted definitions of Pentecostal and Charismatic Christianity describes popular malign portraits of holy rollers and tongue talkers tells the tales of meetings on the Electric Street Railway Line in theaters in Parlor Houses identifies denominational influence and much more The Full Gospel Assembly FGA of Washington DC 1907-1934 is a fascinating and comprehensive examination of the neglected history of an early twentieth century revival with ties to the 1906 Azusa Street Mission and revival *A Strange New World* George Griffith, 2003-11

INTERPRETING THE BIBLE Edward D. Andrews, 2016-07-30 Interpreting the Bible is a comprehensive guide for believers who long to handle God's Word with accuracy reverence and confidence Grounded in the historical grammatical method this book equips readers to discover the single Spirit inspired meaning intended by the biblical authors guarding against allegory speculation and modern distortions From Genesis to Revelation Scripture speaks with clarity and authority Yet faithful interpretation requires careful attention to words grammar historical context and literary form This volume walks readers through each major genre of the Bible

narrative covenant law poetry psalms proverbs prophecy idioms parables hyperbole and epistles showing how authorial intent governs meaning and how context safeguards truth Every chapter unfolds with clear exposition examples from Scripture application for the church today and safeguards against error At the end of each chapter Review Questions reinforce key concepts while Exercises in Interpretation beginning in Chapter 5 train readers to apply the principles directly to the biblical text Written with both pastors and everyday Christians in mind this book is accessible yet uncompromising It calls the church back to the sufficiency authority and clarity of God's Word reminding believers that the task of interpretation is not optional but essential for sound doctrine faithful worship and holy living Whether you are preaching teaching or studying for personal growth Interpreting the Bible will equip you to rightly handle the Word of Truth and to stand firm in a time when Scripture is too often misused or neglected The New York Times Book Reviews 2000 New York Times Staff, 2001 This anthology examines Love's Labours Lost from a variety of perspectives and through a wide range of materials Selections discuss the play in terms of historical context dating and sources character analysis comic elements and verbal conceits evidence of authorship performance analysis and feminist interpretations Alongside theater reviews production photographs and critical commentary the volume also includes essays written by practicing theater artists who have worked on the play An index by name literary work and concept rounds out this valuable resource **World Christian Trends Ad30-ad2200 (hb)**, 2001 *Transatlantic Charismatic Renewal, c.1950-2000*, 2021-07-05 In *Transatlantic Charismatic Renewal c 1950 2000* Andrew Atherstone Mark Hutchinson and John Maiden bring together leading researchers to examine one of the globally most important religious movements of the twentieth century Various referred to as the charismatic renewal or revival it was a key Christian response to globalization modernity and secularization Unlike other accounts which focus either on denominational pentecostalism or charismatic phenomena outside the West this volume describes transatlantic Christianity drawing deeply on its pneumatic roots to bring about renewal New research in archives and overlooked journals illuminate key figures from David du Plessis to John Wimber providing insights which challenge the standard interpretations of the charismatic movement's origins and influence *Singapore* Jason Lim, Terence Lee, 2016-05-26 On 9 August 2015 Singapore celebrated its 50th year of national independence a milestone for the nation as it has overcome major economic social cultural and political challenges in a short period of time Whilst this was a celebratory event to acknowledge the role of the People's Action Party PAP government it was also marked by national remembrance as founding Prime Minister Lee Kuan Yew died in March 2015 This book critically reflects on Singapore's 50 years of independence Contributors interrogate a selected range of topics on Singapore's history culture and society including the constitution education religion and race and thereby facilitate a better understanding of its shared national past Central to this book is an examination of how Singaporeans have learnt to adapt and change through PAP government policies since independence in 1965 All chapters begin their histories from that point in time and each contribution focuses either on an

area that has been neglected in Singapore's modern history or offer new perspectives on the past Using a multi disciplinary approach it presents an independent and critical take on Singapore's post 1965 history A valuable assessment to students and researchers alike Singapore Negotiating State and Society 1965 2015 is of interest to specialists in Southeast Asian history and politics

Transcendental Medication Christopher D. Lynn, 2022-04-28 Transcendental Medication considers why human brains evolved to have consciousness yet we spend much of our time trying to reduce our awareness It outlines how limiting consciousness rather than expanding it is more functional and satisfying for most people most of the time The suggestion is that our brains evolved mechanisms to deal with the stress of awareness in concert with awareness itself otherwise it is too costly to handle Defining dissociation as partitioning of awareness Lynn touches on disparate cultural and psychological practices such as religion drug use 12 step programs and dancing The chapters draw on biological and cultural studies of Pentecostal speaking in tongues and stress the results of our 800 000 years watching hearth and campfires and unconscious uses of self deception as mating strategy Written in a highly engaging style Transcendental Medication will appeal to students and scholars interested in mind altered states of consciousness and evolution It is particularly suitable for those approaching the issue from cultural biological psychological and cognitive anthropology as well as evolutionary psychology cognitive neuroscience and religious studies

A Peculiar People J. Spencer Fluhman, 2012-09-17 Though the U S Constitution guarantees the free exercise of religion it does not specify what counts as a religion From its founding in the 1830s Mormonism a homegrown American faith drew thousands of converts but far more critics In *A Peculiar People* J. Spencer Fluhman offers a comprehensive history of anti Mormon thought and the associated passionate debates about religious authenticity in nineteenth century America He argues that understanding anti Mormonism provides critical insight into the American psyche because Mormonism became a potent

symbol around which ideas about religion and the state took shape Fluhman documents how Mormonism was defamed with attacks often aimed at polygamy and shows how the new faith supplied a social enemy for a public agitated by the popular press and wracked with social and economic instability Taking the story to the turn of the century Fluhman demonstrates how Mormonism's own transformations the result of both choice and outside force sapped the strength of the worst anti Mormon vitriol triggering the acceptance of Utah into the Union in 1896 and also paving the way for the dramatic yet still grudging acceptance of Mormonism as an American religion **America, the Sorcerer's New Apprentice** Dave Hunt, Thomas A. McMahon, 1988 Reincarnation Eastern mysticism channeling psychic phenomena Is America at the threshold of a glorious new age of enlightenment Or have we in our search for higher levels of human potential opened a spiritual Pandora's Box Who is right The authors conclusions are nothing less than staggering Amazon.com *Intercultural Theology, Volume Two* Henning Wrogemann, 2018-01-09 In this second volume of his three volume *Intercultural Theology* Henning Wrogemann turns to theologies of mission Tracing developments across a range of Christian traditions movements themes and regions of the globe Wrogemann provides an overview of the theological underpinnings rationalizations and visions for mission and its practice Christian History Alister E. McGrath, 2013-03-04 A major new introduction to the global history of Christianity written by one of the world's leading theologians and author of numerous bestselling textbooks Provides a truly global review by exploring the development of Christianity and related issues in Asia Latin America and Africa and not just focusing on Western concerns Spanning more than two millennia and combining elements of theology history and culture it traces the development of all three branches of Christianity Catholic Protestant and Orthodox providing context to Christianity's origins and its links to Judaism Looks beyond denominational history at Christianity's impact on individuals society politics and intellectual thought as well as on art architecture and the natural sciences Combines McGrath's acute historical sensibility with formidable organizational skill breaking the material down into accessible self contained historical periods Offers an accessible and student oriented text assuming little or no advance theological or historical knowledge on the part of the reader
