Department of English, 1929 *Real Essays with Readings* Susan Anker, 2011-12-28 Real Essays delivers the powerful message that good writing thinking and reading skills are both essential and achievable From the inspiring stories told by former students in Profiles of Success to the practical strategies for community involvement in the new Community Connections Real Essays helps students to connect the writing class with their real lives and with the expectations of the larger world So that students don't get overwhelmed the book focuses first on the most important things in each area such as the Four Most Serious Errors in grammar the Four Basics of each rhetorical strategy and the academic skills of summary analysis and synthesis Read the preface **Essays Into Vietnamese Pasts** John K.
