The Alpha and Omega Oswald Sequeira, 2010-05 The Alpha and Omega is a book about the truth and nothing but the truth the knowledge about truth which is called Wisdom The book starts from the beginning of time The Alpha and takes the reader on a smooth ride down creation of the Universe then with Historical and Archeological proof down ancient times medieval times to current time From there it transports the reader in to the future where we are going and where we will end The Omega It is a unique bold one of a kind Lone Ranger type of book The author after his encounter with death and subsequent survival from two major illnesses which attacked him together began seeking for the truth of life and after four years of dedicated research found it in the sacred books of the four major religions of the world the Bible of Christians the Torah of the Jews the Koran of the Muslims and the Bagavat Gita of the Indian Hindus The truth shocked yet consoled him when he understood that these warring religions are but the four rooms of one single house built on one single foundation yet blocked out from each other Whose builder is the single central figure who is also the Corner Stone He was disappointed to note that the leaders of these religions are aware of this fact yet are misguiding their followers keeping them in darkness to keep them trapped under their own religious banner for ever although it is creating so much of unnecessary chaos in this world This is the purpose of this book the message that the author wants to spread to the world and not conversion from any faith to any faith However he believes that one religion stands way ahead of the other three because of the solid proof it possesses both historical and archeological The book is a unique amalgamation of the truth derived from these four sacred books and assembled in one place thus saving any truth seeker from the hassle of tedious cross reference into these four books He has also described in simple understandable language some of the visions in the Bible and how they are connected directly with recorded History and can therefore be considered true He has also unmasked the identity of the devil and anti christ and has explained who are the demons ghosts and spirits of the dead the Armageddon and the end of the world Finally he has challenged the reader by throwing an option at him to believe in the truth he the author has presented if the reader wishes thereby acquire peace and tranquility within himself and then be an instrument in spreading it within his circle and world at large for a better tomorrow The author pledged that part of the royalties earned for this book will be given to The Canadian Cancer Society Canada and a charity institution in India

Alpha to Omega Matthew Petti, 2012 Petti's unprecedented perspective will forever challenge the way people think about God, human origins, ancient mysteries, and Revelation's foretold perils and deceptive abuse of mistaken beliefs **The Alpha and Omega** Pat Burleigh, 2021-04-06 This book is about the amazing revelation of God's plan for the whole world. He knows the end from the beginning. The first part of the book encompasses all the aspects of salvation and the consequences of not accepting his plan of salvation and obeying his word. This is a wonderful eye-opening book that enables us to walk through the corridors of time until we see the New Heaven and earth. It reveals the contrast between the Old and New Testament. This book answers the question of predestination. It also shows that the Father, Son, and Holy Spirit are one unequivocally. It tells us what the definition of belief is. Scripture interprets scripture. With any doctrinal truth scattered throughout the Bible, when brought together according to topic, there can be no doubts of the truth of each doctrine. Part two of the book is all about interpreting the book of Revelation. Some of the scriptures have many topics. There are seven topics in Revelation 1-4. These are the seven churches: grace, peace from him, which is and which was, and which is to come, and from the seven spirits. I have capitalized REVELATION and each subsequent TOPIC. The first time I write the scripture, I do not put an asterisk in front of REVELATION. After the initial scripture, I put an in the front of every scripture REVELATION until all the topics have been exhausted. EACH NEW SCRIPTURE IN REVELATION IS CAPITALIZED **The Married Alpha and His Arrow Volume 1** Amanda K, 2025-04-15 Follow two points of view in this novel from each of the main characters in the second installment of The Ribbon Series.
